NOTE AND COMMENT

The University boys maintained the reputation of the west in the annual inter-collegiate track and field games yesterday at Montreal with McGill and Queens. S. J. Sebert was Toronto's principal scorer, with first in the 100 yards, 440 yards and 200 yards, incidentally making a new college mark at the last named distance. S. Wright captured the half mile, while A. D. W. Kay won two weight events, the discus and shot, both of which it was a great day for Varsity.

A game of Rugby football to-day will remind the old-timers of the days before the students at Varsity had an enclosed field. The Argonauts II. and Tiger II. of Hamilton took up on the campus in front of the University. It is a real championship game free of charge.

Jackie McArchie threatened to flourish as the Dave Nipol of Little Gutterbeer. At that the judges set a precedent for these days in declaring all bets off, a ruling whereby even the jobbers on the outlaw track were caught.

The Hamilton Times agrees heartily with the sentiment as expressed in these columns yesterday that the racing situation, and thinks the time is at hand for a racing commission, such as exists in New York State and Kentucky.

Isn't it a wonder that some one hasn't discovered before this that the starts at Dufferin are only Phair?

There was more smoke than fire in the latest charge against Longboat viz., that he took \$100 in cash instead of the cup at Williamsburg for winning the road race.

The pinch hitting that counts. While in the series just passed Chicago cut the Tigers by a great margin. It was valuable that the scattered hitting of the Tigers. It is a pity that the mode of winners, each drove in four runs in the five games, each scored all over the field each brought home three runners. King was responsible for two counts, Williams took each of Sebert and Evers. To Cobb of Detroit used his bat to lead advantage and banded in four counts, while Evers, Crawford, Thomas, Coughlin, Miller, Schmidt, Downs and Summers registered one each.

There was a real live woman sporting editor at the World's series in Detroit and Chicago. Elsie Young from Trinidad, Colorado. She came by it honestly, having brothers in baseball and football and her father owned horses.

Of her mode of livelihood and the associations Lou says: "My sister-in-law is a girl who is happy and independent as a bird. They give me a big salary, six weeks' vacation, my expenses paid and see one of the ball team, and as for courteous, considerate treatment, I commend me to the sporting fraternity. They are many and fine in the world, and I've known men of many types, are the sporting men, but I know the difference between a great woman. I ask no better society than that of sporting men. I've written up punters and prize fighters, but I've yet to see one who is a sportsman about it. Oh, no, I intend to put a stop to that. I am on my first opportunity. Fighters are many and fine and brave, just like all other sporting men."

Any boy under 17 years of age, at least a year, and under the age of 21, is entitled to compete. Architects' Field Day.
The architects and draughtsmen are holding their first annual field day at Exhibition Park, small ring, next to the Manufacturers' Building, today at 2:30 p.m. Everything possible has been done by the committee to make the meet an unqualified success.

Crown, Pierce and P. W. Lindsay have been doing miles at a fast clip in preparation for the half mile run, while Jones and Beattie have been training for weeks for the half mile walk. Mitchell is still a favorite in the bachelors' race, but if Macree, Carney and Rollo are in shape it is expected the race will be close. Bodel, Sharpe and Wegman are throwing the weight some, although it would not be a surprise to see whistled or Martin win. Beatty and Cameron are overtraining and are expected to drop out. This leaves the battle between R. H. and Cowan and two from Sprout and Rollo's office.

Cameron, Kirkland, Moleworth, Grant and Young should finish in that order in the sprints. Mr. Miller has been scratched from the race for practicing. The race is expected to be a close one. After the games supper will be served at Mrs. Meyers, Sunnyside.

Our \$20.00 tweed business suitings will agreeably surprise you. Out of the high rent district means a saving to you. McCleary & Co., 194 West King-street.

Victoria Quilting Club.
The Victoria Quilting Club, 330 Gerdard-street East will continue their Saturday afternoon quilting sessions. All members are requested to be on the grounds at 2:30.
