TADLE CLUTHS We have received an unusually fine lot of Slightly Bleach-Damaged Table Cloths. These damages, which occur on the bleach green, are just as liable to happen to one cloth as another—hence there is a great quality variety in such a lot. This particular purchase is one of the best value lots, having smaller proportion of damages than any we have recently handled. Sizes from 2 to 6 yards. Very special opportunity, 331-3 per cent. below regular.

RETIRING FROM THE RETAIL JEWELRY BUSINESS AUCTION AUCTION NOTICE

JANUARY 31 1910

In answer to many personal enquiries as to why we are retiring from the Retail Jewelry business, we take this opportunity of announcing to the public our reason.

It was our intention to occupy the whole of the ground floor of our new ten story building (which will be erected as soon as our stock is sold) as an immense jewelry store for our rapidly growing business. Since then we received and accepted a substantial offer from Child's Restaurant Co. of New York for the lease of our entire ground floor. Thus being without suitable premises we decided to retire from the retail jewelry business, continuing our Regalia and Wholesale Jewelry business.

In the disposal of our stock of HIGH CLASS DIAMONDS. JEWELRY, SILVERWARE, WATCHES, CUT GLASS, Etc., public
