GETTING MINERS FOR PAYNE.

Red Bluff Gold Mine—Quotations on Stocks on the Different Exchanges—Notes.

Rat Portage, Ont., Jan. 23.—There are investigations being made on behalf of several British syndicates into mining properties in this district, and it is confidently expected that as a result a number of additional properties will be purchased for exploitation in London.

Work in connection with two United States companies is about to be started, one in the Manitowish district and the other in the Western Peninsula.

The Sandon, B.C., Pay Streak gives the following interesting account of how the mine got into the hands of miners, despite the union men's protest.

It is stated on good authority that there is no truth in the report published that Toronto capitalists are trying to obtain control of the Red Bluff gold mine.
