Raspberries were slightly easier in price, selling at 12c to 14c per box, and, if a larger quantity had arrived in the attendon, the price would have slumped considerably. Tomatoes came in very freely, the price	Toronto). Mining Shares Bought and Sold SPECIALISTS IN COBALT AND PORCUPINE
issues of the character of New York Air- brake, American Car and more minor pecialties were without the slightest in- fluence elsewhere. Rais were almost motionless, with ome irregular changes, Pennsylvania howing slight pressure, with moderate pins for Canadian Pacific and Atlantic Coast Line and four points for Buffalo, Rochester & Pittsburg, which recently in-	Anaconda 79 79 78% 79 3.200	which bears somewhat agressive, as the movement of new wheat to primary markets already showed a notable ex- cess over last year's total arrivals at the corresponding time. It was said that only the scarcity of cars hindered receipts at present from reaching huge groportions. Elevators in Kansas were asserted to be full to the roofs and there was gossip also that the quality of the new wheat was fine. The outlook for	Winter, according to sample, \$4.15 th \$4.25, in bags, track, Toronto; \$4.25, built seaboard. Millfeed (Car Lots, Delivered, Montrea Freights, Bage Included). Bran, per ton, \$22.	brought \$1.50 to \$1.75 per 11-quart, and 75c to 90c per six-quart, a very small quantity of extra fine ones reaching the \$2-mark for the 11-quarts. Cherries came in a little more freely than they have been doing lately, selling	Fou with the latest news from the North Country on request. STANDARD BANK BUILDING ed7tf TORONTO.
creased its dividend rate. In point of activity and importance, industrial bond issues constituted the real feature of the day. Anglo-French 5's changed hands to the extent of admost \$1,100,000, mostly at 95%, a small con- cassion, and the new French notes were traded in to a total of almost \$500.000, all at 98, the subscription price, at which this issue seems to be "pegged." General news included several June	Gen. Elec 168 10 Gt. N.O. Cts. 25 200 Godrich	new whet was line. The outlook for somewhat lower temperatures northwest tended further to handicap the bulls, as the prospect seemed to make specu- lators more inclined to take chances on the theory that Canadian fields might escape with relatively smaller losses from black rust and from heat blight than has been the case south of the line. Altho some of the Canadian crop dam- age reports ralled the wheat market late	Shorts, per ton, \$24. Middlings, per ton, \$25. Good feed flour, per bag, \$1.65 to \$1.70 Hay (Track, Toronto).
