FOR PURITY IN THE ELECTION

Full Text of the Resolutions and Report of the Discussion at the Electoral Purity League Meeting in Sackville.

(Sackville Tribune)

At a meeting in the town council chambers on Monday evening steps were taken looking to the formation of a county organization to endeavor to ensure a pure election in the coming provincial contest. Several strong resolutions were passed and a committee was chosen to consult with prominent citizens in other parts of the county with a view to holding a county convention at the earliest date possible to further the work. Among those present were Rev. Dr. Borden, Rev. J. L. Dawson, Rev. C. F. Wiggins, Rev. Dr. Andrews, Rev. James Stroud, of Moncton, and Ald. S. W. Copp, Ald. F. A. Dixon, Messrs. J. C. Hawthorn, J. M. Palmer, G. E. Ford, C. W. Cahill, L. C. Carey, C. McKenzie, A. E. Wry, G. M. McLeod, J. H. Williams and A. Ford. Motion was made and carried by a large majority that Dr. Borden acted as chairman and A. H. McCready as secretary.

In opening the meeting Dr. Borden alluded to the prevalence of corruption in Canada and to the need of a change in political methods. The facts which make this plain, he said, are everywhere apparent. There is not a county in the province but where the influence of the corruption and the bribery of the voters is a constant feature. He said that he had seen many of the voters of the county who were not only ignorant but who were also dishonest. He said that he had seen many of the voters who were not only ignorant but who were also dishonest. He said that he had seen many of the voters who were not only ignorant but who were also dishonest.

Rev. Mr. Stroud in a brief address said that he had declared himself as in hearty sympathy with movements to stamp out corruption. Hon. F. J. Sweeney had expressed himself as being of the same mind as the speaker. Hon. J. H. Williams, Ald. Dixon and Mr. B. M. Fawcett.

Prior to adjournment it was stated that several subscriptions of at least a hundred dollars each have been promised to the proposed fund.

Said To Be a National Curse

That indigestion is responsible for more sickness than any other disease is certainly true. Some doctors go so far as to say it is a national curse. Repeated attacks inflame the lining of the stomach and cause the glands to secrete mucus instead of the juices of natural digestion. Consequently the blood is poisoned, nerve force is reduced, the vitality of the entire system is weakened.

There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills which are used by thousands with marvelous success. Dr. Hamilton's Pills accelerate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood, and thus aid general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food.

Under the vitalizing effect of Dr. Hamilton's Pills your system will soon rally; once more you'll enjoy the blessings of health. Test Dr. Hamilton's Pills yourself, 25c. per box or five boxes for \$1.00; at all dealers. Certain cure is guaranteed.

Your Duty is to be Well.

But you cannot be well if you neglect taking Hood's Sarsaparilla when you know you should take it. Impure blood, poor appetite, headache, nervousness, that tired feeling—by these and other signs your system demands Hood's. Get a bottle today.

Malaria—"My mother was run-down and feebly, but after taking a few bottles of Hood's Sarsaparilla she was soon as well as ever."—BESSIE SHORT, 884 Queens Ave., London, Ont.

Cataract—"For years I have been troubled with cataract and indigestion and have tried everything, but to no effect. I last heard of Hood's Sarsaparilla, tried it, and it is doing me good. It is a pleasure."—J. A. HOWARD, Tainan, Mass.

Glow of Health—"Hood's Sarsaparilla was very poor. Since taking Hood's Sarsaparilla I have more color in my face, sleep and eat well, and it is a pleasure."—J. A. HOWARD, Tainan, Mass.

and unwelcome burden upon the candidate for political honors and their friends.

5. It leads to the "take off," in public contracts the evil use of political patronage and the consequent wasteful expenditure of "grat" in the public service.

6. It makes it possible in any election for a strong combination of wealth, through or through the influence of the public money, to exert undue influence upon public policy and to endanger our political freedom by being able to override the will of the people through the evil use of money.

7. It is an evil whose dangerous contagion may spread from the polling booth to the legislative hall and when our legislators are lured out to men about to public money our liberties are safe.

8. Political corruption often assumes a most vicious form when intoxicating liquors are lured out to men about to public money our liberties are safe.

9. The exercise of the right of casting a free vote. If ever the clear head and the sober spirit are called into play, it is on these momentous days, when in their ballot the sovereign people record their will and the common man is called upon to act as judge between the rival parties and policies and to decide the destinies of his country; and whereas we have seen in recent years two nations, Spain and Russia, both of the potentially great collapse chiefly through low political morality, it becomes the duty of an enlightened Canadian patriotism to endeavor to free our land of so great a promise from this great national disgrace and danger and whereas the evident awakening of a healthier public sentiment throughout the whole country seems to indicate that the time is ripe for action, he resolved.

On the resolution being moved Mr. McLeod brought up the matter of intimidation of voters which is one of the frequent occurrences and should be stamped out just as much as the other corrupt practices. This led to the introduction in the resolution of a clause setting forth that corruption sometimes leads to a grievous wrong being done when through various forms of intimidation, corporations and others having the power unduly influence voters in the exercise of their franchise. After the discussion the amended resolution was carried unanimously.

The second resolution was introduced by Rev. Mr. Dawson. Its chief section was one calling for the formation of a county organization with the object of ensuring purity in the coming election and calling also for a county convention at the earliest date possible to bring about that organization and work out necessary details. This section was adopted unanimously as was a section providing for the appointment of a committee to take the matter up with prominent citizens of other points in the county and with them arrange for a county convention at the earliest date possible to bring about that organization and work out necessary details.

LIFE, DEATH AND THE HEREAFTER

St. John, N. B., Jan. 28, '08.

Editor Times:

Sir,—Seeing a synopsis of a sermon, that was preached last Sunday in the Times, I would like to refer the readers of the Times to what God says concerning the dead. Let us read first Rom. 6: 23—"The wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord." Here are two results exactly opposite, viz: "death" and eternal life, death is the wages of sin, we all reap it; and eternal life is a gift of God to all who believe and by faith accept it.

Now read I John 3: 11, 12, Gen. 2: 7, note the gift of God is eternal life through Jesus Christ our Lord. Here are two results exactly opposite, viz: "death" and eternal life, death is the wages of sin, we all reap it; and eternal life is a gift of God to all who believe and by faith accept it.

Now read I John 3: 11, 12, Gen. 2: 7, note the gift of God is eternal life through Jesus Christ our Lord. Here are two results exactly opposite, viz: "death" and eternal life, death is the wages of sin, we all reap it; and eternal life is a gift of God to all who believe and by faith accept it.

Now read I John 3: 11, 12, Gen. 2: 7, note the gift of God is eternal life through Jesus Christ our Lord. Here are two results exactly opposite, viz: "death" and eternal life, death is the wages of sin, we all reap it; and eternal life is a gift of God to all who believe and by faith accept it.
