### WHAT IS ZOE-TIC?

Zoe-tic is a new and improved combination of glycer-phosphates, fine odorless-rendered Cod Liver Oil containing no greases and the best procurable tonic wine. Your own physician will tell you that glycer-phosphates contain the actual elements of the human body in the most assimilative form, and the value of Cod Liver Oil in rebuilding tissue, and tonic wine in rebuilding nerve force are too well known to need discussion. Zoe-tic has a delightful taste.

Everywhere in Canada at the same price. One Dollar for a Generous Bottle. Compounded from food and tonic essences by The Zoe-tic Company, Montreal.
