## VISITING TENNIS PLAYERS ARRIVE

Will Meet Locals Today and Tomorrow on the Rotherham Courts.

Willard Crocker and Jack Wright, Canada's Davis Cup players, accompanied by Louis Robert, B. R. Morrice and John M. Miller, president of the Quebec Tennis Association, arrived in the city this morning from Halifax and will meet local players on the Rotherham Tennis Club courts this afternoon, weather permitting. Crocker and Wright are fresh from the United States national events, where both made a good showing. Wright was eliminated by William T. Tilden, champion, in a match that showed Wright to be a comer.

The local players who will meet the visiting experts include Hazen Short, maritime champion, Phil Hallisey, "Bud" McInerney and Jack Thomson and Jack Frittle. Short met Crocker last year when the McGill student was here, but the local boy had not played hardly a game and was not in good shape. This year, Crocker will meet a different kind of reception as Short has been playing an excellent brand of tennis. The Nova Scotia champion, Professor Mercer, carried Crocker to three hard fought sets to win. Short beat Mercer for the maritime title.

## STAFF CHANGES AT CITY SCHOOLS

Announcements are Made as 9,000 Children Resume Studies Today.

The city schools reopened this morning after ten weeks' holidays and about 9,000 children returned, more or less unwillingly, to their studies. The new pupils this year exceed 900 and this number will probably be increased. Yesterday there were 292 permits to attend school issued at the office of the school trustees, bringing the total up to 904 compared with 822 for the corresponding date last year. S. A. Worell, acting superintendent, announced the following staff changes:

Aberdeen school, Miss Nellie Van Wari, former teacher at the British street orphanage, succeeds Miss Jean McAfee as teacher of grade three and four. Miss McAfee goes to Winter street school to teach grade four, replacing Miss Della Folkins, who has left of absence.

Albert school, West St. John—Miss Helen McL. Corbett, former teacher of grade eight, goes to the High School in Union street to teach grade nine and is succeeded by Miss Grace Baird, former teacher of grade seven. Miss Rita Sampson, former teacher of grade two in the Albert school, succeeds Miss Baird as teacher of grade seven, and Miss Helen Mallman, formerly of Millidgeville school, is the new teacher of grade two. Miss Amy Napier, formerly of LaTour staff, takes the place of Miss Estabrook, who has resigned as teacher of grade one. Some other adjustments will be made in the classes.

Alexandra school—Miss Alma Sloan, who taught grade five in King George school last term, replaces Miss Winnifred Green, who resigned as teacher of grade four.

King Edward—Miss Laura G. Ingraham, former teacher of grade three, will take grade two, formerly taught by the late Miss A. Comben. Miss Clement Fenton, of the reserve staff, will take grade three.

High School—The additional department of grade eleven, making the fifth department of that grade, will be taken by Miss Florence Estabrook, who is promoted from grade ten. Miss Blanche Myles, promoted from grade nine, takes Miss Estabrook's class and Miss Myles' class. Miss Marion Bustin, former member of the reserve staff, takes the place of Miss Marion Manning, who resigned from the position of assistant in the High School. It may be necessary to open another grade nine but nothing definite in this regard was known last night.

Lorne school—Miss Emma F. Wilson, former teacher in the West St. John orphanage, takes grades four and five from which Mrs. Audrey Murray resigned.

In St. Joseph's, Holy Trinity, St. Patrick's, St. Peter's girls, St. Thomas and St. Vincent's there may be some interchanges and transfers but these will be announced later.

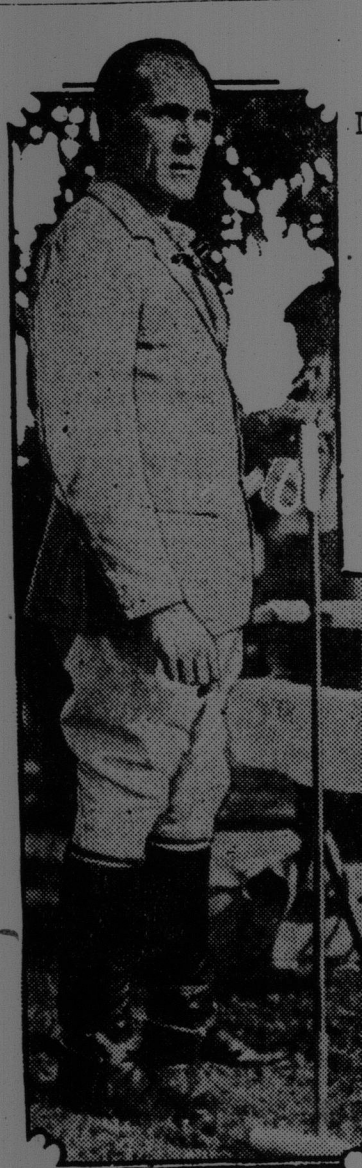

Cliff Street High School—Raymond H. Moore, who formerly taught grade seven, and William Carroll, of Westmorland county, succeed J. H. Drummie and Fred Richard.

Victoria school—Miss Roberta Holder, who formerly taught grade four in the annex, succeeds Miss George Stiles, who resigned as teacher of grade six. Miss Jessie Jamieson, former teacher of grades two and three, takes the grade four class and Miss Hazel Hennessey, from the reserve staff, takes grades two and three. Miss Marguerite Logie, from the reserve staff, succeeds Miss Lottie Hart as teacher of grade five. There will be only two grade eight classes this year and one more grade six for boys. Gordon Titus, who was acting principal in King George school in the absence of Miss Briggs, takes the new grade six. The place of Miss Mary Harrison, who has temporary leave of absence, will be supplied by a reserve teacher.

Winter street—Miss Ethel Armstrong will resume charge of grade two, having recovered from her recent illness. Miss Jean McAfee will take Miss Della Folkins' class.

Millidgeville—Miss Jennie Corbett takes the place of Miss Helen Mallman. Manual training—James McLean, a former member of the staff, returns and is an additional member, making five manual training teachers.

It is probable that a new opportunity class will be opened with Miss Beatrice

MALCOM STEVENSON.

## POLO BATTS!

Mounted Stars Choose Weapons With Same Care as Ball Players.

One of America's hopes to stem the onslaught of the invading British polo four is Malcom Stevenson, a player of rare skill and great courage. Stevenson is pictured here selecting his favorite mallet just before a practice skirmish. The mounted stars are just as finicky and particular about their weapons as the temperamental home run-nists of the diamond. Always they have their own collection and the number is usually 10 or more.

## GOOD SHOOTING AT AMHERST MEET

Maritime Championships Bring Out Great Contests—Organization Formed

Amherst, Sept. 2.—The second day events staged for the Maritime trap shooting championship were productive of some very close races and although the visibility was poor and showers interfered with the programme, the scores shot were very creditable in the morning, the opening event was the two-man team race for the title presented by the Dominion Cartridge Co. Montreal. This was won by Hon. Fred Magee and Joseph Hickman, of the Port Elgin club with a score of 83. J. McLaughlin and E. D. Joseph, Dartmouth, tied for second place with R. W. Tufts, Wolfville, and Dr. Lovett, Yarmouth, for second place. J. E. McCardy and J. D. Learmonth, Truro, were third.

The double target event which was perhaps the most interesting one of the meet consisted of 30 pairs of targets thrown in pairs at different angles. James McLaughlin, of Halifax, and Jack Learmonth, of Truro, tied for first place. Mr. Learmonth who represents the Dominion Cartridge Co. being a professional, gave the other club a severe lesson without a shoot off. J. E. McCardy, of Sydney, taking second place.

In the hundred target race Hon. Fred Magee, Port Elgin, was first and won the commercial travelers' cup with a score of 81. Joseph Hickman, of the same club, was second with 80. P. J. Shreve, Amherst, was third with 78 breaks.

The handicap event finished the day's shooting. Five bird race with five contestants tie for first place. Robbie Tufts, of Wolfville, with his rifle, won the Port Elgin cup with Dr. Purdy, Amherst, second, Fred Magee, Port Elgin, third. Following the closing event the prizes were presented at the Amherst Hotel immediately after all winners had received their awards.

The meeting of the shooters present was held and Hon. Fred Magee of Port Elgin was elected president and Hon. A. B. Copp, secretary. Other clubs with an executive committee of Dr. Lovett, Yarmouth, J. E. McCardy, Sydney, E. J. Burcher, Dartmouth. Other clubs will have the power to elect representatives as they become affiliated with the Maritime Trap Shooting Association.

The M. T. A. has taken a new lease of life and the meeting directed that for the next five years the officers elect will be in charge and the annual championships held at Port Elgin, N. B., on the third Monday of July and run for the two days following.

It is following the lead of the American Trap Shooting Association and will enable the clubs to have a place of play with good traps, club house, and equipment.

## ROSER SIGNED BY YANKERS.

A battle between players let out by Boston clubs for heavy hitting honors in the Eastern League will end with the departure of Johnny Roser of the Worcester club to join the New York Yankees. Roser was bought from the Braves. Gehrig of Hartford came from the Red Sox. They have been up in front of all other Eastern League batsmen in home runs all season and when Roser was bought by New York a few days ago he had made 31 circuit clouts to Gehrig's 33. Gehrig, looked over by major league scouts several times, is also likely to join the Yankees.

## NURMI ESTABLISHES NEW WORLD'S RECORDS

Helsingfors, Finland, Sept. 3.—Running over a 10,000 metres course at Kuopio, the Finnish distance runner, Paavo Nurmi, made what are claimed to be five new world's records. They were the 10,000 metres, in 30 minutes 6.2-3 seconds; four miles, in 19 minutes 18.7-10 seconds; five miles, in 24 minutes 12.2-5 seconds; six miles in 29 minutes 7.4-3 seconds, and 9,957 metres, in 29 minutes.

## NATIONALS VS. CANUCKS TONIGHT.

The Nationals and the Canucks are scheduled to meet this evening on the North End Improvement League grounds in the third game of the series to decide the championship of the Intermediate League. The game is arranged for 6.45 o'clock and it is expected that a large crowd of fans will be on hand to support their favorites. In

## MANAGER CLAIMS SAINTS WIN TITLE

Says His Team was Leading When League Schedule Ended.

Manager "Joe" McDermott, of the St. John Baptist team in the South End League announced yesterday that his team would not play the Royals again this year and that he would lay claim to the league championship at once. Manager McDermott says he will base his claim on the fact that the league schedule ran out on August 21 when the Saints played and defeated the Royals and made the standing as follows:

Team	Won	Lost	P.C.
Saints	14	8	.636
Trojans	15	9	.625

The standing does not include the protested game with the Royals nor the tie game. The Saints' manager says the league finished then and that the league executive had no right to order his team to meet the tailenders in playing off a tie game. He says he will make this claim at once through C. M. Lingley, president of the South End Improvement League.

Regarding the Royals, Manager McDermott said the members of his team resented the action of Manager Gay in searching "Tack" Dalton's pockets in the last game between the teams for roughing material.

Both C. M. Lingley and Stephen Payne, members of the South End baseball league executive committee, stated last evening that they had as yet not been informed of Mr. McDermott's claims. The committee meeting last night was attended by but three members so they adjourned until this evening. Mr. McDermott's claim may come up for discussion if the executive have been informed of it prior to their convening.

Manager Golding of the Trojans differs with Mr. McDermott. Mr. Golding stated last evening the published schedule announced that the final game would be on Aug. 14. Mr. Golding is of the opinion that Aug. 21, which Mr. McDermott claims to have been the closing date of the league, is meant by Manager McDermott to mean the date when all postponed games were finished and not to mean that the league itself came to an official close on that date.

When the league closed on Aug. 14, the standing of the Trojans and the Saints read:

Team	Won	Lost	P.C.
Trojans	15	8	.652
St. John the Baptist	12	9	.600

Fandom in general about the city are awaiting with interest the final outcome of the league. It is expected that things will be cleared up to the satisfaction of all concerned this evening.

## BROOKLYN IS ONLY TWO GAMES BEHIND

Yanks Remain Game and Half in Rear of the Senators.

New York, N. Y., Sept. 3.—Brooklyn John Aiden of the National League, has abandoned its suit to Miss Pennant for the Giants, and is speaking for itself. The Robins have won 21 of the last 25 games played, have picked nine contests off the Giant lead in three weeks, and are today only two contests behind the leaders and one back of Pittsburgh in second.

The Robins yesterday battled a 12 to 9 victory after the Phillies had knocked Dazzy Vance from the box in one inning. Hollingsworth, a recruit, held the Phillies to five hits and won the second game 4 to 3.

The Giants exchanged blows with Boston. Cooney beat them, 7 to 3 in the first game, but McQuillan held the Braves to five hits in the second for a 10 to 2 victory.

The youthful Pirates and the Cubs were restricted by rain at Pittsburgh. St. Louis and Cincinnati were not scheduled.

Washington, after winning 14 of its last 17 starts, rested yesterday, but the Giants remained a game and a half behind the Senators by splitting a double-header with the Red Sox, losing the first, 14 to 6, and winning the second, 5 to 2.

Detroit virtually fell out of the race, seven games back of Washington, by dropping two to the tail-end White Sox, 6-2 and 8-5.

Cleveland won a 12 to 4 victory over the Cardinals. Philadelphia was not scheduled.

## HAD GOOD TIME AT NORTON PICNIC

People Enjoy Springfield Agricultural Society Event.

The Springfield Agricultural Society held a most successful picnic on the grounds of R. W. Menzie, Norton, on Tuesday afternoon. Hundreds assembled on the spacious grounds about Mr. Menzie's home. Unfortunately rain interfered somewhat with the proceedings, but the large carriage shed had been cleared out and beautifully decorated and the long tables simply groaning under the weight of the delicacies which were provided. The ladies looked after everybody so far as the inner wants were concerned, and everybody was loud in praise of the excellent refreshments served.

During the evening speeches were delivered at an outdoor gathering, over which Rev. Mr. Young presided, by Samuel McAuley, W. H. Heine, J. E. McAuley, R. E. Sharp and others. Later in the evening J. D. McKenna spoke to those present, on co-operation.

Much credit is due to the officers of the association for the success of the gathering. Mr. Menzie, who has been secretary for more than 20 years, has accomplished a great deal through his welcome. Doubtless the experience of Tuesday will result in the picnic being made an annual affair.

## AMERICAN SHIPS BOOTLEG IN ARMS

Cargoes are Seized by Customs Officials at Shanghai, in China.

Washington, Sept. 3.—(United Press)—Bootlegging in arms by Americans on the China coast is giving the government almost as much trouble as rum running here.

The state department has ordered American consuls in China to tighten their lines, following seizure by Chinese custom officials of the two American schooners Talbot and Alcoa, at Shanghai with cargoes of arms. Consul General Cunningham authorized the seizure.

Titles which bring \$200 in the interior were being smuggled by the craft to the counter-revolutionists who seek to overthrow the Sun Yat Sen Government in South China.

The cargo of the Talbot was valued at \$50,000. Arms on the Alcoa totalled thousands of rifles and a quantity of ammunition.

## PICKPOCKETS AT WORK IN CITY

"Beware of pickpockets" is a warning issued by local detective department.

William Onisholm, employed with the city street department, missed \$6 from his pocket at the exhibition on Monday. J. E. Kane, a local contractor, had \$4 stolen from a side trousers pocket at the fair on Monday. John W. Baskin, of Moncton, had his wallet containing a return ticket to Moncton and \$13 taken from him in a street car on Monday.

## BRILLIANT TENNIS BY MONTREALERS

Halifax Has Seen Nothing Like It for Many Years.

Halifax, N. S., Sept. 3.—Canada's Davis Cup players completed their two days' tour of Halifax yesterday afternoon by taking two out of three exhibition matches from the locals in the finest exhibition of tennis seen in Halifax for years. The visitors produced a dashing and welcome. Doubtless the experience of Tuesday will result in the picnic being made an annual affair.

A. C. Wisewell and A. S. Martin played against Louis Robert and D. R. Morrice, in the doubles, were the only local players to win, taking a three-set match. Two exhibitions were also played by the Montreals.

The visitors left last night for St. John, where they will play the New Brunswick champions today. The summary of yesterday's play:

## VILLA CONFIDENT HE WILL WIN BOUT

Flyweight Champion Intends to Carry Fight to Genaro.

Despite the recognized defensive skill of Frankie Genaro, American flyweight champion, Pancho Villa, Filipino who holds the world's title, has announced his intention of carrying the fight to Genaro when the pair clash in their championship battle of fifteen rounds at the Nostrand A. C. building, Thursday night.

In his training camp in Ringwood, N. J., Villa announced his intention of following the line of battle he put in his three previous bouts with Genaro and expressed confidence that his aggressiveness will more than overcome Genaro's boxing skill and cleverness.

"Of course I'll do the leading for Genaro," said Villa. "That is Pancho's style. I fight because I enjoy it. If I did not leading I would not be enjoying myself. Some say Genaro beat me before. Well, Pancho doesn't think so. I win every time. And I'll win again. I am not what you call a hard puncher. Many people seem to think I am, though. I don't. I don't think I am a hard puncher—but a good puncher. My system has been to hit often. And good punches landed often enough will knock an opponent out."
