MISSIONARY INSTITUTE.
At the first meeting of the missionary institute in St. Luke's church yesterday afternoon, Rev. Mr. Williston, a returned missionary from China, gave an interesting address. He said there were four classes there, namely, scholars, farmers, laborers and merchants. There were two other classes said to be below classification, namely, barbers and soldiers. The women are unclassified. At the meeting for boys and girls he addressed about 250.
