OAK HALL'S 30TH ANNIVERSARY SALE

The First Days of this Sale have Proved that this is St. John's Greatest Mercantile Event

Our claims for this sale have been substantiated. The usual practice has been followed at Reducing Prices on everything in our store; not because of, but in spite of present conditions.

This sale with its bigness should rivet your attentions; should focus your whole mind on the Wearing Apparel question now; not next month, but now—it means that much to you.

Discharged Soldiers will find here an opportunity not to be lightly passed over—an opportunity to procure their entire civilian outfit at unusually reduced prices—an opportunity to make that \$35 Government Allowance actually do double duty.

Remember, Everything is Reduced—Not on article of merchandise is laid away; everything from a collar button to the most expensive Fur Coat is marked at a substantial reduction.
