DOMINION DAY.

The anniversary on Monday of the formation of the Dominion of Canada will find the Canadian people more than ever devoted to their country and proud of the highest sense of its achievements. A comparison with Germany is at this time irresistible. The German Empire was not constituted until 1871, but its development since then has been striking contrast to that of Canada.

THE NAVY LEAGUE.

The Navy League in Canada is growing in numbers and enthusiasm. In a recent speech Lieut. Col. G. Williams, field secretary, said: "When Germany sought sea-power the Kaiser at once encouraged in every way the formation of a German Navy League, and literally millions of members were enrolled and systematically educated in the belief that with a navy to back up her army, Germany could conquer the world."

LIGHTER VEIN

He Had to Stand. A story is going the rounds of how Ian Hay, on a lecture tour, went to the barber's in a small town.

Explaining the Gender. She—I never could see why they call a boat "she."

A Fly Story. A story is told by W. W. Jacobs, the humorist writer, of an old man who, loitering outside a butcher's shop, was called in by the proprietor, saying "Henry, I want you."

When Schwab was a boy in the village of Loveto, Pa., the schoolmaster—an enthusiast for geology—told each child to bring him a specimen to describe. When this excellent medicine teacher picked up the stones one by one and told the pupils about them, Young Schwab's contribution happened to be a jagged piece of brick.

Thousands Are Ailing From Constipation. No condition causes so many diseases as constipation. It not only prevents the normal bowels from acting in one night, but it also causes a host of other ailments.

SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead, And Is Now In Perfect Health.

MME. F. GAREAU.

108 Papineau Ave., Montreal. "For three years I suffered great pain in the lower part of my body, with swelling and bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This I refused to permit. I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it."

The first box gave great relief, and I continued the treatment, taking six boxes more. Now my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks."

MME. F. GAREAU. 108, a box, 6 for \$2.00, trial size 25c. At all dealers or sent by Fruit-a-tives Limited, Ottawa.
