SUCCESS MARKS THE FAIR OPENING

The Trades and Labor fair in Keith's assembly rooms was successfully opened last evening with a large attendance. The rooms had been tastefully decorated and the handsome booths, fitted up by the different unions, were greatly admired by those in attendance. Many games and contests have been arranged and all were well patronized last evening. The musical part of the programme was supplied by the Sons of England Band and the numbers were greatly enjoyed.

The prize winners in the different contests last evening were as follows: Air gun (prize, a pipe donated by W. L. Williams), won by Edward McGuire; bowling alley, ladies', (prize, clock donated by Ferguson & Page), won by Miss Mullin; gentlemen's (prize, corner brace donated by Miles E. Agar), won by James Delay; bean toss, ladies', (prize, silver lined tea pot donated by Quinn & Co.), won by Mrs. A. W. Reynolds; gentlemen's (prize, a pair of shoes donated by Francis & Vaughan), won by H. D. Smith. The door prize, a set of dishes given by L. P. D. Tilley, was won by ticket S 579. The prize was not claimed last night but the holder of the ticket may secure it any night during the fair.

The voting contest for the most popular labor man showed James Sugrue in the lead with 21 ballots and Charles Stewart second with 19. The others in the contest were Jacob Brown, James Delay, J. E. Tighe, T. Goodwin and G. Hennessy. One of the booths that attracted a great amount of attention was that of the Women Suffrage Association, from which literature was distributed.

THE BAPTIST MINISTERS

(Maritime Baptist.

Rev. G. B. McDonald, Sussex, was in the city Friday.

Rev. F. H. Wentworth goes to Wolfville this week. He will report the Acadia Anniversary proceedings for the Maritime Baptist.

Rev. J. M. Parker, River Hebert, N. S., has been laid by for several weeks with a severe attack of heart trouble, but is now better, as his many friends in the provinces will be glad to hear.

Rev. W. J. Rutledge took up his work as pastor of the South Boston Baptist church last Sunday. While we regret Mr. Rutledge's removal from Canada, we wish him large success in his new pastorate.

Rev. F. B. Seelye writes of a donation of $85, received from friends at Norton just before his leaving that pastorate. He says: "Though late in making this public acknowledgement, he wishes to say that he will always have a warm spot in his heart for the thoughtfulness and consideration of the Norton friends, not only upon this but upon other occasions."

The Second Baptist church of Bridgeport, Conn., of which Rev. Frank C. Rideout is pastor, has just closed one of the most prosperous years in its history of forty years. At the annual meeting in May, the church unanimously voted to increase their pastor's salary two hundred dollars. The church will celebrate its fortieth anniversary in February, 1914.

Marseilles, May 21—A private message received here says that the liner Senegal, of the Compaigne des Messagerie Maritimes, struck a mine as she was leaving Smyrna and was blown up. It is believed that there were nearly 200 people aboard.

Men! Try this shampoo for dandruff

Makes the scalp feel fine

First, rub the scalp fully five minutes with the tips of your fingers. Then apply a hot, thick lather of Woodbury's Facial Soap and *rub it in, rub it in, rub it in.* Now rinse in gradually cooler water, having the final water really cold. Rub again with the finger tips till the hair is dry.

Woodbury's Facial Soap is the work of an authority on the skin and hair. This treatment with it loosens the dandruff and dead skin, cleanses the little pores at the base of each hair and restores them to their natural, healthy action. The oil from these pores then goes into the hair, and gives it that gloss and glint so much admired. The dandruff and accompanying itching disappear and the scalp feels delightfully clean and "alive."

Try it. Get a cake of Woodbury's today. Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price *after their first cake.*

MONTREAL BOARD OF TRADE MAY VISIT NEW BRUNSWICK

Montreal, May 21—The island of the "Chocolate King" will next month be the goal of about 200 members of the Montreal board of trade. At the regular meeting of the council of that body today final arrangements were made for a board of trade excursion by the R. & O. line to Anticosti, the steamer Saguenay sailing from Montreal on June 19, reaching the island two days later. On the return journey the steamer will proceed up the Saguenay River as far as Capes Trinity and Eternity. During the brief stay at Anticosti the members will make a journey over the railroad of Mr. Menier.

The question of another excursion also came up at the meeting in the form of a communication from the St. John board of trade, which, with the assistance of the boards of trade in Moncton and Fredericton, is arranging to receive a body of business men from Ontario and Quebec. The local body's assistance was asked in bringing the excursion to the attention of business men in these provinces.

The trip will include short stops at a number of places of interest, including a steamer ride down the St. John river from Fredericton to St. John.

NO CANADIAN NAVY

(Montreal Star Cable)

London, May 20—The naval editor of the Daily Telegraph says Mr. Borden holds that every strategical, economic principle demands the unity of the empire in the provision of a fleet for general defence. He supports the view that the admiralty at present is the exponent of the naval policy for the whole empire and that it can best organize and direct the fleet, the disposition of which may be varied in accordance with the continually changing situation, only if the dominions co-operate by the provision of naval bases adequately protected by fixed and mobile defences.
