The lease has expired. Dr. Mark is dead, and the milliner is the only living heir. The property is worth \$17,000,000.

The Shah of Persia wants Mrs. Cull widow of the great firm manufacturer, to come over to his delightful kingdom, and make her home in the Mohammada. It isn't likely she will go off, however.

Prospectus for 1874—Seventh Year.

## The Aldine,

AN ILLUSTRATED MONTHLY JOURNAL, UNIVERSALLY ADMITTED TO BE THE HANDSOMEST PERIODICAL IN THE WORLD, A REPRESENTATIVE AND CHAMPION OF AMERICAN TASTE.

Not for Sale in Book or News Stores.

THE ALDINE, while it is used with all the regularity, has none of the temporary timidity in favor of "stated plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantage of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. Thus the subscriber to THE ALDINE will, at a trifling cost, enjoy in his own home the pleasures and refining influences of true art.

The quarterly tinted plates for 1874 will be by those of Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

ART DEPARTMENT, 1874.

The illustrations of THE ALDINE have won a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "stated plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantage of superior artistic quality with greater facility of production. The wood-cuts of THE ALDINE possess all the delicacy and elaborate finish of the most costly steel plate, while they afford a better rendering of the artist's original.

In addition to designs by the members of the National Academy, and other noted American artists, THE ALDINE will reproduce examples of the best foreign masters, selected with a view of the highest artistic success and greatest general interest. PREMIUM FOR 1874.

Every subscriber to THE ALDINE for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of THE ALDINE, by Thomas Moran, whose great Colorado picture was purchased by Congress for ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives The Cliffs of Grand River, Wyoming Territory. The difference in the nature of the scenes themselves is a pleasing contrast, and affords a good display of the artist's scope and coloring. The chromos are each worked from thirty distinct plates, and are in size (12x16) and appear as exact facsimiles of the originals. The presentation of a worthy example of America's greatest landscape painter to the subscribers of THE ALDINE was a bold but popular happy idea, and its successful realization is attested by the following testimonial over the signature of Mr. Moran himself.

NEWARK, N. J., Sept. 29th, 1873.

Gentlemen,—I am delighted with the proofs in color of your chromos. They are wonderful reproductions of my pictures, and I am sure they will be appreciated by all who see them.

Very respectfully,  
THOMAS MORAN.

TERMS.

\$5 per annum in advance, with 100 Chromos free.

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Walker's Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use Walker's Bitters as a medicine, and avoid the use of alcoholic stimulants in every form.

Dr. J. H. McDONALD & CO.,  
Druggists and General Agents, San Francisco, California,  
and cor. Washington and Chatham Sts., New York.  
Sold by all Druggists and Dealers.

No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim Walker's Bitters the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Houston, James, and many other, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored, viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Congestion of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent, and Intermittent Fevers, Dropsy of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Painting and Miners, such as Plasterers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetters, Salt Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scours, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no cathartics, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence, that improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only scientific treatment is to promote the secretion of the bile and favor its removal. For this purpose use WALKER'S BITTERS.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
