LABOR AGAINST GOVERNMENT. Big Strike Inaugurated in Holland. In All Departments of Transportation.

Amsterdam, April —At midnight a meeting of the Workmen's Com-mittee proclaimed a general strike throughout Holland of all laborers engaged in transportation both by engaged in transportation both by land and water. The meeting lasted until 4 o'clock this morning.

All the railway lines, stations and wharves are guarded by troops.

The administration of the railroads has taken steps to secure the running of the foreign expresses under definition of the railroads wounded by a revolver shot lifed by a soldier this morning. The man was walking on the railroad; was not aware that the strike had been proclaimed, and failed to reply to the soldier's challenge.

committee of Defence, in an inter-ciew, said the strike proclamation nvolved the entire railroad sys-em and other land transport of tended as a protest against THE ANTI-STRIKE LAWS

The stairs of the snipping compacies trading with London and Hull mave stopped work in sympatry with the strikers. Caly one train left Amsterdam this morning, and it was protected by troops.

The Premier of the Netherlands, al, February 25, three bills in c nection wit: the railroad strike Holland, He explained that the G ernment considered it necessary to oppose any unreasonable attack on secrety which would sacrifice the well-being of the people to the desire of a certain class for influence and to political tyranhy. The Government, therefore, had proposed to form a railroad brigade to insure a regular service of trains in case of need. The just complaints

from a legal standpoint, as well as regarding the conditions of service of the employes. It also would have to decide what constituted criminal acts. The Government did not desire to be reactionary. It only aimed at effecting social reforms. FREEDOM OF LABOR
