Sufficient Coke at Granby Smelter Blow in Four Furnaces.

Grand Forks, B. C., Jan. 16.—Four furnaces at the Granby smelter will be blown in early to-morrow morning, which will have a combined capacity for treating about 1,500 tons per day, as sufficient coke has now arrived to resume operation. It is expected that in a few days other furnaces will be also started to the super superior of the superior of t up. About 200 men will be put to work to-morrow. Great satisfaction is felt here that the Granby plant has been idle only four

FIREMEN INJURED.

St. Petersburg, Jan. 16.—An explosion of gas, due to the carelessness of a fireman, occurred last night in the offices of the Municipal Credit Co. An outbreak of fire followed, during which the roof, vaults and a part of stair fell in, burying the foreman. Three other swere injured.

REALTY AGENTS

GREAT ACTIVITY IN

The competence of parliament to al- Residence and Grounds Brought **Good Price--Many Properties** Change Hands.

(From Thursday's Daily.)

Activity in real estate circles is every nightly land from the Charmer, has brought in its train an impetus to the market which opens up prospective possibilities hitherto undreamt of in con-nection with Victoria. For these Northwesterners are going to build here.

With each succeeding day some new feature in connection with the activity is disclosed. To-day a great volume of inquiry centres on Fort street, and the reason given by investors for this is of an interesting nature. It is said that mercial enterprises, expand with, and follow the route of already constructed tram lines. As a consequence newcomers to the city are turning their attentions towards Fort street, although in many instances they regard Yates street on account of its breadth to be some 500 acres free from taxes. The As a result of the pending deal announced in the Times, by which an them.
