"I don't understand. Do you, because the properties of the properties of

"Forgive me for comin", "she said, in a low, broken voice. "It ain't right to be troubling one like you. But what could do with him beggin" and pleading and fretting himself ill? I hadn't the heart to refuse his prayer, and, and."

"Hush!" My mistress drew her strange visitor hurriedly down the steps. She was very pale and trembled with excitement.

"No more now—I cannot listen," alto said, in a whisper. "If you have any errand with me come again by-and-by when I am alone."

The woman sighed heavily.

"Let me give you this note, ma'amit's from him—an' I'll trouble you no more. You'll read it, an' do all it asks, ma'am!" she added, quite plaintively,

"Is all whows I do not wish to keep my secrets from you, not one."

We all entered the carriage together and drove to Holm's cottage.

We all entered the carriage together and drove to Holm's cottage.

We were met on the threshold by the same forlorn-looking woman who had brought the note. She burst out sobling in our faces.

"My son is dead, she cried. "He breathed his last soon after you went away last night. Oh, ma'am, won't you come in and look at him. I'm sure it would please him could he but know."

We entered the poor little room and alook at him. I'm sure it would please him could he but know."

We entered the poor little room and alook at him. I'm sure it would please him could he but know."

We entered the poor little room and alook at him. I'm sure it would please him could he but know."

"My son is dead, she cried. "He breath out sobling in our faces.

"My son is dead, she cried. "He breathed his last soon after you went away last night. Oh, ma'am, won't you come in and look at him. I'm sure it would have resulting generally from the mote insignificant origin. At this scass of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers at tending it and often find too late, that a Fever or Lung trouble day and a large bill from a

False Impression.

ma'am?" she added, quite plaintively, as the thrust a bit of crumpled paper into the lady's hand.

"Yes, yes. Now go—go at once."

"I will. But don't disapp'int me, ma'am don't do it?

There was desperation in her voice and looks—perhaps even menace—as she turned and made her way with difficulty down the path." Mr. Hollis naturally made some inquiry as to the strange visitor, but at Miss Edith's solicitation he dropped the subject, and soon after went away. About ten o'clock that night my lady's bell summoned me to her chamber. I found her sitting with the paper into the lady's hand.

"I could not despise his love, Deane, her chamber. I found her sitting with the paper into the lady's hand.

"I could not despise his love, Deane, her chamber. I found her sitting with the previous summer, in spite of the utter impossibility of his ever hoping to win a return of his affections. When he realized that he must die, a prey of consumption, he had begged to be taken to the vicinity of his lady love's home, that he might be near her at the last. He had more of less delirium for some days previous summer, in spite of the utter impossibility of his ever hoping to win a return of his affections. When he realized that he must die, a prey of consumption, he had begged to be taken to the vicinity of his lady love's home, that he might be near her at the last.
