It's a Winner Every Time

The girl who can resist a diamond ring—especially when offered by an eligible "him" is indeed very scarce nowadays. And, by the way, so is the man who not only gives his affianced such a ring when he can get it so reasonably in our store.

When thinking of buying a watch ask for the "Regina." We have the official agency and issue a universal guarantee.

C. W. BRITTAIN OF BRISTOL

INSTANTLY KILLED

While Preparing Flour Mill to Start He Slipped and Broke His Neck.

BRISTOL, N. B., Feb. 28—A sad accident occurred this morning, half a mile from Bristol Village, by which Chalmers W. Brittain was instantly killed. He was an assistant, named Brookier, was having ice preparatory to starting his flour and grist mill, when he slipped and fell, striking his neck and becoming wedged between the large wheel and the wall in such a position that Brookier had to go for assistance before being able to remove the body. Mr. Brittain was a prominent man in this community, taking an active interest in the Church of England, and also among the Oddfellows. He leaves a widow and four children.

STARR TROPHY GAMES

MAY BE CALLED OFF

There will be but one senior hockey match during the week. On Saturday evening the Amherst Ramblers will meet the All St. John team at the Queen's rink. The match is creating much interest, as the visitors have a victory to their credit over a picked team from this city.

It now seems improbable that the Starr trophy games will be played. Neither Patterson or Phillips can make the trip to Halifax. The trophy matches will be called off, unless a championship septette can be gotten together.

GENERAL AMNESTY FOR

THOSE WHO FAILED TO

CLEAR THEIR GUTTERS

Magistrate Announces That Such Charges Will Not be Considered in Future Unless Made in a Formal Way

This morning Police Magistrate Ritchie spoke at some length on the report made by the police against one hundred and forty-eight citizens for not having the sidewalk or gutters in front of their premises cleared of snow. He cited the by-law showing that the snow must be levelled off the sidewalk and half-way on the road, and the gutters must be cleared. In carrying out this law there must be some reasonableness used by the officials. If the authorities are not satisfied with the citizens clearing off only their sidewalks and not keeping the gutters clear, they can make the usual and proper complaint to the chamberlain, who can bring the matter up for trial. For the present the citizens who were summoned to court on Saturday are not required to come to court again unless the complaint is made in writing in the proper way.
