St. George's Society.
THE Quarterly Meeting of Saint George's
Society for July, will be held at the Saint
John Hotel on Monday evening, 2d proximo, at
8 o'clock.
By order of the President,
G. S. THIELAND,
Friday, 29th June, 1849.

ATTENUEUM.

The Subscribers would respectfully inform
that he has opened in the New State, opposite
"Foster's Lodging Shop," in Cornhill Street,
a general Literary Institution, under the
auspices of the Friends of Learning, to be
called the "ATENUEUM." It will be open to
all who are interested in the study of
Literature, Science, and Art, and to
those belonging to the community, and the present
hardness of the times, this handsome collection
should, we think, convince the people in other
parts of the Province of the feelings of those
in Fredericton with regard to this Society.—

The Weather for Friday, for the thermometer
at Carlton Land (Carleton), in this City,
indicated a temperature, in the shade, at 101°. At
Mr. Spence's, it stood 100°, and in other parts of
the City it ranged from 99 to 101°, the average
temperature for the month in June being 97°.
This was the highest temperature
which we have had in June for many years past.
On Monday afternoon we had a delightful
shower, and the weather is now comparatively
cool.—

The Post for England will be closed at the
General Post Office to-morrow (Saturday) at 3.
