EVIDENCE GIVEN IN WOOL STEALING CASE YESTERDAY

John Wesley Parlee was Well Paid as a Teamster—Manager of Colonial Hide Company States Stolen Wool was Valued at About \$2,945.

John Wesley Parlee, one of the witnesses yesterday afternoon in the wool stealing case, swore that he received \$5 for hauling the first load of wool from George Johnson's shed on Forest street to Kimball's place; that he received \$10 for the second load, and \$20 for the third. He said that he stated to Johnson on the last occasion that he thought he was getting pretty well paid, and that the party replied, "that's all right, I can afford it."

In the course of the examination he stated that the distance was about five hundred feet, and on each occasion he took over three bags on the load. The witness stated that he handed the wool to Kimball's in February, and he was handed an envelope addressed to John McLean, which he took back to Johnson. On the first occasion Johnson paid him \$10, and on the second, according to the witness, he opened the envelope and took therefrom \$10 with which he paid the witness.

"On the last time he came for me it was 11 o'clock in the morning, and I understood that he wanted me to haul some coal. Upon the arrival at his place, however, he loaded me up with wool."

In reply to His Honor, Judge Barry, the witness stated that the load was not covered and his movements were not attended by any actions of secrecy. He said that all of the trips with the wool were made in the day time and through the streets.

William Howes, who is employed in Kelly's stables on Union street was called to the stand. He stated that he saw the defendants in the witness stand on the day of the trial, and that he saw the wool being taken from the shed on February 27 there was 3,256 pounds of unwashed wool, and 441 pounds of washed wool.

He stated that he had authorized no one to dispose of the wool. He testified that both "Jack" Hayes and Stanley Hartin worked with him prior to this time. On February 24 the witness stated that he was notified that the windows of the warehouse had been broken, and that an investigation he discovered some wool outside of the door and some on the inside.

As it is the custom to sweep the floor before leaving at night, this aroused his suspicion and he immediately notified the police. Two bags in particular the witness missed, which he afterwards located at Willis' mill, he gave evidence of.

The last witness to give evidence was George Albert Burgess, after which the court adjourned.

In the morning evidence was given by James W. Willis, of the Willis' Mills, Golden Grove, and George W. Kimball, of the Kimball Hide Company, and Harold W. Stubbs, of the Canadian Hide Company, all of whom testified as to the purchase of wool from some of the defendants.

John Stewart, clerk in the Royal Bank of Canada, testified as to cashing a cheque for George Parlee, one of the defendants, who endorsed the cheque as John McLean.

A clerk in the Haymarket Square branch of the Bank of N. B. A. told of cashing two cheques for Carl Kelly, another of the defendants, who stated that his name was John Cain.

As one of the defendants Carl Kelly had made no provision for counsel His Honor elected Edward J. Hennessey, who is appearing for Stanley Hartin. J. A. Barry is appearing for the Hayes' and Urban J. Sweeney for Drew.

Heart Beat So Fast
Could Not Sleep.
HAD TO SIT UP IN BED.

Heart trouble has of late years become very prevalent. Sometimes it catches you in the region of the heart, now and then your heart skips beats, palpitates, throbs, or beats with such rapidity and violence you think it will burst. You have weak and dizzy spells, are nervous, irritable and depressed, and if you attempt to walk upstairs or any distance you get all out of breath.

There is no other remedy you do you so much good, restore your heart to a natural condition, build up your strength and give you back vigor and vitality as Milburn's Heart and Nerve Pills.

Mrs. A. Russell, Niagara Falls, Ont., writes: "At nights I could not sleep, and had to sit up in bed, my heart would beat so fast."

"When I went to walk very far I would get all out of breath, and would have to sit down and rest before I could go any further. I was advised to get Milburn's Heart and Nerve Pills and before I had used two boxes could sleep and walk as far as I liked without any trouble."

Milburn's Heart and Nerve Pills 50c. per box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

POLICE COURT CASES YESTERDAY

Seamen Fined for Refusing Duty—Evidence Heard in Case Where Men are Charged with Non-Support.

In the police court yesterday morning the case of two seamen charged with refusing to perform their duty was heard. The accused were William Nelson, all of the United States; Jerome Baptiste, a Portuguese; and John Landis, a Norwegian, for refusing to do their duty on the high seas.

P. Nichols was charged with having liquor in his possession other than in his private dwelling house on March 17. He pleaded guilty and was remanded until Friday morning.

A colored woman who was taken in custody early yesterday morning while singing on the street will probably be sent to the Provincial Hospital as she is mentally affected.

Court resumed at 2:30 o'clock. A case where a citizen by name of Mahoney had supplied "Port Wine" to another was set over until tomorrow, the defendant being out on a deposit and did not show up. One of the witnesses, Mr. McLean, all of the United States, who had been supplied was present, "Mr. McLean." He is to appear again and give evidence in the case.

A man arrested about 28th March for drunkenness was taken up. He told His Honor he procured liquor from an unknown man in the street. He was allowed to go with a suspended sentence of \$3.00 or two months in jail.

The next case was for "non-support." Joseph Brady who resided formerly on Erin street, was the defendant. Edmund S. Ritchie appeared for him. Brady gave evidence that he enlisted about February 24th and was hurt by a horse and came back to St. John, receiving his discharge on March 13th. He was married about thirteen years ago in this city by the Rev. Mr. Murray on Charlotte street. Whilst with the militia his wife received \$15 of his assigned pay; \$25 from the government, and \$15 or more patriotic money. She should have received this until the 15th of March, the date of his discharge.

Asked if she and he had had any previous talk about her support, he answered no. They lived together, at 125 Erin street.

Witness stated that he had never given on his assets so the wife might sell all the household effects and she did that without mentioning it to him. He did not know until Tuesday that their children were in a public institution. Witness said his wife had never complained to him since his discharge from the army.

He had heard that his wife visited the army to see certain soldiers, and was even seen in the Lyric Theatre with a soldier. He saw men in the house with a girl boarder she had, who stayed till two o'clock in the morning, they even came at four and stayed till 6:30 a. m.

The girl is now with her sister who lives on Brussels street. She also has left her husband, "Howard Grayley." Witness stated he was a longshoreman on the duty; he worked Sunday and Monday nights and was to be back Tuesday night again but was arrested. His Honor added "The man isn't a lazy man then, since he is at work."

As the case proceeded a question arose whether this case could be classified as a non-support case, since the wife had not waited very long; was not in strictly necessitous circumstances, and the fact that she had sold the household effects. The wife then was called and His Honor deliberated with her for a few minutes telling her she appeared not in bad circumstances and if she chose to leave the husband he would be free to do so.

He reported every week; she in the meantime to see him and fix an amount to clothe one of the boys at school. She desired the case set over until her counsel should appear. The case was set over until next Tuesday morning at 10 o'clock.

McLEAN KILTIES SOLDIER WRITES LETTER TO SISTER

Pte. Byron E. Tribe Tells About the Kilties in England—Says Draftees who have Arrived are Good Men—Battalion is Broken Up.

An interesting letter has just been received in Sussex by a sister of Private Byron E. Tribe of the McLean Kilties in which the soldier brother gives some news regarding the 236th. Private Tribe enlisted in Boston on September 15th, 1917, later coming to Fredericton and then to Valcartier Camp, Quebec. Before enlisting he worked in the Boston post office as an extra man and had just passed his examinations for a permanent position, but left all behind to fight for his King and country. The letter is as follows:

Seaford Camp, England, Mar. 9th.
Your letter of Feb. 3rd received, also the papers, many thanks for the same. This will probably be the last letter that I will write from this camp as we are getting ready to move to Bransholt. That is all that is left of us, for two drafts, nearly five hundred men in all, left for France and quite a number more have asked for a transfer. The men who went to France are for the Highlanders of Vancouver, B. C. All my best friends are going and if there is any chance for me I will go too when my turn comes and that may be before very long, meanwhile the remnant of the 236th will train at Bransholt till further orders. I mailed my Highland outfit to you the 7th of March for safe keeping till the war is over, hoping I may wear it again in the future if it arrives safely and I get through with a whole skin.

We had a parade and review last Monday afternoon in Highland dress, we were reviewed by the chief of the McLean clan and the boys certainly made a fine showing, but, gee! it was cold standing around as a bitter wind was blowing all day. The camp men were there and the pictures will probably be published in the "Breath of the Heather," the battalion paper. The paper has not been printed on this side as yet, but they voted to issue a farewell edition, if they do, I will try to get a copy for you as each man is to get two copies.

I read in the paper a few days ago that the "Calgarian" had been sunk by a submarine with a loss of forty-eight men. I only hope the Germans will get paid back in full before the war comes to an end. The conscript army are arriving in large numbers, quite a number of them are at this camp now and more to follow as soon as there is room, they are doing as good a showing as any of them and will probably do as good work at the front when they get there. The outlook for a speedy termination of the war does not look as well as it did awhile ago, with Russia and Romania out of it, but the rest of the Allies will have to see it through.

Will close for this time, with love to all.
Your affectionate brother,
BYRON E. TRIBE.

DREDGE CO. CASE IS NOW SETTLED

C. B. Lockhart, the Petitioner, in the Case Withdrew for \$17,500—Mr. Justice Crockett Pleased Settlement Had Been Reached.

A settlement was made Tuesday in the case of the application of C. B. Lockhart for the winding up of the Beaver Dredging Company. The matter had been heard before Mr. Justice Crockett, but an agreement was made taking the case from the court and settling the dispute on the basis of the payment of \$17,500 to Mr. Lockhart.

On the opening of the court on Tuesday, Mr. M. G. Teed, K. C., for Mr. Lockhart, offered to withdraw the petition and all claims and make over to the company all his one-third interest in the company for \$30,000. To this F. R. Taylor, K. C., for the company, made a counter-offer of \$14,600, whereupon Mr. Teed made a new proposal to settle for \$20,000. After further parleying, Mr. Taylor advanced his offer to \$17,500 in full for all claims and this was agreed to.

A release to this effect was signed by Mr. Lockhart, who abandoned his first claim for \$19,000, advanced to by the dredge St. John; also his second claim of \$17,500 for salaries paid to the general manager of the company, and further to discharge forever all claims of every nature and kind against the company or its affairs.

Mr. Justice Crockett expressed himself pleased that a settlement had been reached.
