W. F. Brown Could Have Saved Over a Thousand Dollars

Is Sorry He Didn't Know About Tanlac Sooner—Has Gained Seventeen Pounds.

"If I had had Tanlac five years ago I could have saved not only a world of suffering, but more than a thousand dollars besides," said W. F. Brown, who lives at 132 Yorkville avenue, Toronto, some time ago.

Mr. Brown is a well known traveling salesman, a prominent Mason, and a popular member of the Commercial Travelers' Association.

"I had a terrible case of stomach trouble," he continued, "and would blot up with gas something awful. I would suffer with agonizing pains in my stomach, and was never free from headaches. For nine months I was on a light diet, and became so weak that I could hardly dress myself. I lost in weight until I was a little more than skin and bones, and was so nervous I could hardly sleep. I took every kind of treatment and spent months in the hospitals, but only got worse, and was so bad off that I was given up to die."

"One day my brother-in-law suggested that I try Tanlac, and I did so. I have already gained seventeen pounds, and my appetite is fine. The gas and those awful pains have disappeared, and I can eat most anything without suffering afterwards."

Here is another instance of the wonderful reconstructive powers of Tanlac. Mr. Brown is only one of many hundreds who have taken it with the same remarkable results. Tanlac proved of great benefit to Mr. Brown because it contained certain medicinal properties which enrich the blood and promote a healthy appetite for nourishing food. Tanlac has been very successful in overcoming nervousness and sleeplessness, not from a quieting effect of the nerves, but from its no such effect, but by strengthening the nerves and body, and bringing the normal state of health through the effect on the appetite and nutrition of the body. Mr. Brown's case, while remarkable, is only one of the many hundreds of such cases that have been treated by the wonderful reconstructive powers of Tanlac.

Tanlac is sold in St. John by Ross Drug Co., and F. W. Muro, under the personal direction of a special Tanlac representative—Advt.

WEDDINGS

Lordy-MacDonald.

A very pretty wedding was solemnized Saturday afternoon by the Rev. H. C. Fraser, pastor of the Knox Presbyterian church, when Miss Delia J. Fraser, daughter of Mr. Fraser, became the bride of Robert Lionel Lordy, Southcoast, Sask. The bride, who was becomingly attired in a navy blue travelling suit, with hat to match, was attended by Miss Minnie Clarke, Boston, while W. A. Lordy, of this city, supported his cousin, the groom.

Mrs. Lordy has for some time been a resident of Boston. Mr. Lordy is a native of Chester, Nova Scotia, a graduate of the law school of Dalhousie University and one of Saskatchewan's rising young barristers. The happy couple will spend some time in this city and at the groom's former home in Chester before taking up their residence in the west.

Cases Before Divorce Court

Court Opens in Fredericton Next Wednesday—Seven New Ones on the Docket, and Three from Preceding Terms.

Fredericton, N. B., June 29.—The New Brunswick divorce court when it meets next Wednesday for the July term, His Honor Judge Crockett presiding, will have a formidable docket, no fewer than ten cases, three of them from preceding terms and seven new ones. Of the new cases wives are plaintiffs in three. In these cruelly summoned have and cruelty and non support in one. The remainder are actions for divorce on statutory grounds.

In three of the cases in which divorce on grounds of infidelity is asked, the plaintiffs are returned soldiers.

The case of Charles Pitt-Randolph vs. Elizabeth Pitt-Randolph will be heard before a jury, the first case in which a jury has been summoned to try a divorce action in New Brunswick.

When the case first was tried before Judge Crockett the plaintiff was granted a divorce. The judgment was appealed and the Supreme Court of New Brunswick sustained the appeal and ordered a new trial. Counsel for defendant then appealed for a jury. Judge Crockett refused, but the higher courts again decided in favor of the defendant.

A jury of seven is required and a panel of twenty-one has been summoned. It is reported that several summoned have asked to be relieved from service.

The plaintiff served overseas as a lieutenant in the C. E. P. and is now on his way to Canada. The defendant, who has been residing with her sister in the United States, is also on her way to Fredericton.

The docket was announced by the registrar, H. G. Penney, is as follows:

Lena Wilson vs. Thomas Wilson—Parties belonging to St. John, the plaintiff formerly lived in Halifax in 1915 by an Episcopal clergyman. After some weeks removed to St. John. A child was born in February, 1916. The wife of the defendant is now in St. John.

Joseph Patrick Amburg vs. Edna Bernice Amburg—Parties of St. John, married there in June, 1908, by Rev. A. G. Dickson. The defendant's name was Bradshaw. Fourteen children born. The plaintiff alleges that in 1916 he and his son enlisted in the 1st Canadian Corps and went overseas in October and returned in June, 1918. Amburg names Percy Puddington.

Frank Hildray Mason vs. Margaret O'Leary Mason—Parties of St. John, married in Studholm in April, 1911, by Rev. James McLoockie. The defendant's name was Darrah. Three children born. The plaintiff was a soldier overseas. Oliver Basqueval, Clifford McKenzie, Peter Padlock, Chas. Kelly and E. L. Black are named.

Florence Mac McLean vs. George Mulgrave McLean—Parties of St. John, married at Pettitcodiac in 1913 by the Rev. R. Coleman, Episcopalian. The plaintiff's name was Arthur. Two children born. The wife charges cruelty and non-support.

Agnes A. McKinn vs. James H. McKinn—Parties of Peterborough, Queens county. The plaintiff formerly Forbes. Married in St. John in 1883 by Rev. G. A. Hartley. Nine children born. The wife charges violent treatment and asks for alimony and costs of suit.

Ralph Sherman Holmes vs. May Jacobina Holmes—Parties of Dalhousie, Northumberland county, defendant formerly Moorehouse, married in 1911 in Fredericton by Rev. W. H. Smith, Presbyterian. Four children born. Plaintiff was overseas. Defendant is asked on the grounds of infidelity.

There are also three defended cases from last term as romance—Fitz-Randolph vs. Fitz-Randolph, Mignault vs. Mignault, and Piers vs. Piers.

IN THE FIGHT WITH ECZEMA

You Can Depend on Dr. Chase's Ointment to Bring Relief and Cure.

The obstinacy of eczema is well known. The fact that Dr. Chase's Ointment has been able to cure in even the most severe cases is the best proof of the extraordinary healing powers of this standard ointment.

Cures such as are described in these letters give on some idea of what you may expect from this treatment.

Mrs. Frank Wadge, Midland, Ont., writes: "One of my boys had an attack of eczema, and although I tried different preparations for this trouble as well as medicines from four doctors, we could not get satisfaction. Finally, I tried Dr. Chase's Ointment, and from the first I found it gave good results. We used a good treatment of this ointment, and in a short time eczema was cured. I have also used the ointment with great success for a roughness and rash on my face, which caused me a great deal of trouble. After applying Dr. Chase's Ointment I found instant relief."

"I might also mention that Dr. Chase's Catarrh Powder has proven of great benefit to me. I had difficulty with a stoppage in my nose and head, but the Catarrh Powder relieved it, and I have not been bothered in this way since."

Mrs. P. H. Vale, 19 William street, Hamilton, Ont., writes: "I can highly recommend Dr. Chase's Ointment, having used it with splendid results where all others failed. My little girl, aged 3-1/2 years broke out in small yellow blisters, which turned into scabs. They came out in different places on her face, and although I tried a great many salves and ointments none of them did her any good. I got a box of Dr. Chase's Ointment, and after a few applications, I could see the effects of it. Whenever I saw a new spot appearing I would apply the ointment, and before the box was finished she was entirely cured of these horrid sores."

If you would like to try Dr. Chase's Ointment at our expense, send a two cent stamp to pay postage and we shall mail you a sample box free. Full size box 60 cents, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.
