League was defeated on our grounds on the 6th inst. by a score of 11 to 8, and yesterday the Moncton Rovers allowed the college men to achieve a Bryan victory, the score being 18 to 0.

The pupils of the Sacred Heart convent here have given two excellent dramatic performances in Levesque Hall this week. A French entertainment on Monday evening, and an English one last night. The plays, Joan of Arc, and Fazio, were excellently put on, and the young ladies taking part in them, as well as the singers and declaimers, made a splendid impression on their large audience.
