BARNES, KERR & CO.

WILL SHOW, during the Holiday Season, a variety of GOODS suitable for

PRESENTS!

Also, previous to Stock-taking in January next, they have decided to offer several odd lots in each Department, at REDUCED PRICES in the

Silk Department

They show a large lot of

NEW BLACK SILKS,

The manufacture of the most celebrated Lyons makers. The extra good value they can give in these goods is owing to the disturbed state of trade in America, which has prevented the shipment of large orders from Lyons, and the uncertainty existing in France consequent on the state of political parties, therefore the silk market has got very depressed, and the best makers are selling their goods at very low prices.

B., K. & CO. also have on hand a large lot of

Irish Poplins,

In length from 8 yards to 16 yards, suitable for Misses' and Young Ladies' Evening Dresses. In the same department will be found at low prices, a nice assortment of

Shawls, Velvets & Corsets.

This establishment *has been in existence* for half a century.

BARNES, KERR & CO. would also call the attention of families to their

FLANNEL DEPARTMENT,

Where they will find the largest and best assorted Stock of all kinds of FLANNELS.

Owing to the stoppage of operations in the Woollen and Cotton Mills in the United States, great quantities of Staple Goods have been placed in the market, for sale at prices ranging from 30 p. c. to 50 p. c. under usual prices.

B., K. & CO. taking full advantage of the above condition of the markets, are offering some rare value in

Auction Sale—Buying into a Lawsuit.

The property in Musquash Cove, sold on Saturday by Hugh McGuirk, was resold at 1 o'clock p. m. to-day by order of E. McLeod, assignee of Hugh Morris, an insolvent. Before the sale Philip Palmer, Esq., informed intending purchasers that Mr. McGuirk held a deed of the property, and was prepared to defend his title by a lawsuit. The property was, however, sold to Senator Dever for $500. It is worth about $12000.

A Large Raft Adrift.

An immense raft of pitch pine timber, valued at about $8,000 which was being towed to Ten Mile Creek, for John S. Parker, Esq., shipbuilder, by the tug boats St. John and Captain, was, off the Cape, owing to the roughness of the water, cast adrift by the tugs; one of them attempted to follow it up but lost sight of it and was compelled to return. The steamer Albert, from Hillsboro, for this port, fell in with the raft yesterday and brought it safely into the harbor.

The Lieutenant Governor and Mrs. Tilley will arrive here this evening from Fredericton.

The annual meeting of the New Brunswick Bible Society will be held to-morrow evening at the Hall of the Mechanics' Institute, at 7 o'clock. Among the speakers there will be the Lieutenant Governor, Rev. Dr. Waters, Rev. Messrs. Brigstocke, Sprague, Dodd, and Hickson, and Thomas Maclellan, Esq. The singing will be by the St. John Music Union under direction of T. H. Hall, Esq. A most interesting meeting may be expected.

Letter from Mr. Pugsley in Reply to "Consistency" in the Telegraph.

To the Editor of the Tribune.

SIR: In the *Telegraph* of this morning an anonymous correspondent, who signs himself "Consistency," gives publicity to the statement that at the late election I exerted myself to bring out opposition to the Government, and asks with very good reason how I could, under such circumstances, expect the Government and their friends to now support me. As a rule it is not well to notice the scribblings of correspondents who have not the courage to write over their own signatures, and who—generally from motives of self interest—rush into print with statements for which they cannot be made responsible.

Under the present circumstances, however, I feel it due to my friends to state publicly the course which I have pursued since the evidence in the Pacific Scandal was brought to light.

There is no one admires consistency more than myself, and no one who would more scorn to be guilty of a departure from it. From the first, sir, I have never disguised the fact that, both before the present Government was formed and after, I was in their favor and believed they should and would be sustained by the people. When it was proposed to bring out opposition to the Minister of Customs, I stated, whenever opportunity offered, that I was opposed to anything of the kind and would vote for Mr. Burpee. Whoever states that I exerted myself to bring out opposition to the Government states what is wholly untrue.

Perhaps I can best explain my position by drawing the attention of the public to the following letter which I wrote to Mr. Skinner on the twenty-sixth of November last, when certain gentlemen were working to bring out opposition to Mr. Burpee:

ST. JOHN, NOV. 26th, 1873.

C. N. Skinner, Esq.—My Dear Sir: It is commonly reported on the streets today that an effort is being made to induce you to retire from the City election and oppose Mr. Burpee for the County, it being on the programme to bring out another gentlemen to contest the City in your stead. I cannot for a moment believe that you will agree to such a course. What are the facts of this election contest so far? As I understand it, the Committee waited upon you after it was understood that Mr. Rowan had declined to be a candidate, and, professing to act for the Liberal party of this City, tendered you the nomination. It has been stated in THE TRIBUNE and, from what I have heard you say yourself I have no doubt it is true, that you consented to run the election upon a certain platform which you then submitted to them, and which you expressed very fully at the meeting in the Academy of Music. This platform was, I think, creditable alike to your head and heart, and was calculated to win you the support of very many who, in common with myself, could not defend or justify the acts of the late Government in the Pacific Scandal matter, or support a candidate who should, by coming out against the present Government, make an issue of that question.

When you accepted the nomination it was also understood, by some at least, and myself among the rest, that the election in the County would be contested. It was under these circumstances that I voluntarily pledged you my support.

Should you, however, deem it proper now to act upon the suggestion to which I have referred in the first portion of my letter, and either run for the County, or running for the City, lend your influence to a candidate who may be brought out for the County against Mr. Burpee, I shall feel constrained, however reluctantly, to withdraw myself from the number of your supporters.

It seems to me that the issue is not now whether Mr. Burpee did right or not in taking the course which he did, that is to say, whether or not he ought to have come out in opposition to the Government when the charges were first made by Hon. Mr. Huntington. It is, on the contrary, whether a Government is justified in receiving an enormously large sum of money from a public contractor and devoting that money to the purpose of corrupting the constituencies of the country. It can surely be no answer to say that the opposite party did the same thing. It is all wrong and, whether it was a small wrong in the nature of a political "indiscretion," and one which might have been overlooked, or whether more immoral in its character, now that it has been published by the Commons of Canada in a manner that has attracted the approving attention of the greatest unbiassed journals of England and America, it would, I think, be most imprudent, unstatesmanlike and ill-liberal to make an issue of it before the people and attempt to teach them that such things are right.

Many of your friends with whom I have had an opportunity of conversing feel that you, having laid down the basis upon which you were willing to enter upon the canvass, the party, who, through their committee accepted you as their candidate, should be prepared to accept the situation and raise before the electors only those issues which you have more than once both publicly and privately indicated as the only proper and legitimate ones, or should have sought some other candidate.

If the cause which it is pretty well known has been advocated by prominent gentlemen within the last few days should be followed out, those of your friends who, like myself (and I think they are many), believe in the principles laid down by you, as I have mentioned, and are desirous that you should run on those principles, would be placed in an awkward position which it would, in my opinion, be desirable to avoid if possible.

This is what has induced me to trouble you at this length. Assuring you that I am as confident as ever that by united action you can be elected on the independent platform on which you stand.

I remain,
Dear sir,
Yours very truly,
G. R. PUGSLEY.

This will, I think, satisfy the electors that there has been no "jumping the fence" in my case, at least, and that all along I have been true to the principles upon which I now confidently appeal to them for such assistance as will ensure me victory in the coming contest.

I remain, &c.,
G. R. PUGSLEY.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
