

correct, intelligent and graceful performance, combined with feeling and expression, and also to impart a thorough theoretical and practical musical education to those who wish to fit themselves as teachers, or who desire to thoroughly understand the great masters by analysis and practice. Students in the Pipe Organ Course have the use of the large pipe organ of Bridge Street Church, which is one of the finest in the Dominion.

The pianos in use in the College are furnished and kept in order by Messrs. A. & S. Nordheimer, of Toronto, and are not surpassed by those in any College in Ontario.

The students in this department are expected to furnish music for the various College Societies, which meet weekly throughout the year, and all in turn appear on the programme.

An important advantage that a College course affords to pupils in Music is an opportunity for ensemble playing, *i.e.*, playing together in duets, trios, quartettes, etc., by which exactness and uniformity in time and methods are acquired. A full Musical Recital is given by the graduating class during the closing exercises of each year, in which every member of the class must take part.

The course of study in this Department is that prescribed by the "Ontario School of Art," which conducts **FINE** the examination, under the general supervision of the Hon. Minister of Education of Ontario. As Albert **ARTS.** College is in affiliation with the "Ontario School of Art," all certificates, prizes, honors and awards offered to the students of the School are open for competition to students of Albert College—both ladies and gentlemen. The work of the students is sent each year to the Department of Education, for examination, and successful students receive their diplomas or certificates from the Education Department.

Albert College has taken place in the very front rank, both for numbers of diplomas or certificates and medals secured, and the high character of the work done. The Albert College exhibit, placed side by side with the exhibits from other Ladies' Colleges and Art Schools, has always been one of the most attractive, and has received unstinted praise. The work of the students of Albert was among that chosen by the Department of Education to be sent to the World's Fair, at Chicago, and, with other similar schools, received medals and diplomas. This department provides instruction in every subject of Fine Art—Drawing, Painting in Oils and Water Colors, Pastel, China Painting, etc., etc.
