CANADA CONFERENCE.

Just as we are going to press we have re eived a Telegram, stating that the Report of the Committee on Union, with certain modificarions, passed the Conference unanimously on the 16th inst., and that the President of the Conference, the Rev. Dr. Rice, had been apointed a delegate to our Conference.

#### General Intelligence.

From the Philadelphia Inquirer, June 5. RAILROADING IN THE NORTHWEST.

Our dispatches this morning announce that the track of the Northern Pacific Railroad Robert A. Wright, 2 Robert A. Wright, 2 he track of the Northern Pacific Railroad Humphrey, Stephen-Lemuel Nason, George reached the bank of the Missouri river, at the new city of Bismarck, in Central Dakota Lewis Wright, esterday. This point is four hundred and tty-two miles west from the head of Lake Superior at Duluth, and this length of road is now in operation, while on the Pacific side sixty-five miles have for some months been open to traffic, and another section of a hundred miles is now building, with some fifteen hundred Chinamen at work.

A short distance above the point where the

A short distance above the point where the FromFAMcMahon, 1 00 A short distance above the point where the Northern Pacific Railroad strikes the Missouri that river turns sharply westward and sarries a navigable water line a thousand miles beyond Bismarck, to Fort Benton, at the foot of the Rocky in western Montana. Thus the Upper Missouri river practically serves, for the present, as a western extension of the Railroad Rocky in Western Montana. and the junction formed yesterday between rail and river, completed a new, short and most important route from the East to the extreme Northwest. For example, freight may now be shipped from Erie or Buffslo, by lake to the street of the str Northwest. For example, freight may now be shipped from Erie or Buffalo by lake to Duluth, thence by the Northern Pacific Railroad Jonathan Hosford, 152 miles, to Bismarck on the Missouri, and Elizabeth Copp, thence by steamers on the river 1000 miles to Mrs. Shaddoct

Fort Benton, which is in the same longitude as William Cu-hman, Salt Lake on the Union Pacific. A line of ten steamers is already established Mrs. White, to run on the Upper and Lower Missouri and orin on the Upper and Lower Missouri and 20 00 ributaries in connection with the Northern From Rev. DISTRICT MEETINGS.

THE NEWFOUNDLAND DISTRICT has to hold its annual meeting about a fortnight earlier than the other Districts in order to enable the Brethren who are appointed by it to attend the Conference to be in for the opening of the NINETY THOUSAND ROLLS! Northern Pacific Railro: d Co.

Six Brethren so appointed reached Halifax by the "Peruvian" on Friday afternoon last, viz. the Rev. Mesers. Harris, Peach, Dove, ed from them, informally, that the District in its review and summing up of the results of gratitude. God has greatly blessed their ministerial toil almost everywhere throughout the island. The members of society are about 500 more than they were last year and there are

lieve, in a prosperous condition. We are very glad to know that two Wesleyan Laymen from Newfoundland, Hon, J. J. Rogerson, and S. S. March, Esq., are also in the city on their way to Conference, to take their Paper Window Blinds. place as members of important Conference Committees. We shall greatly rejoice it the Laymen of the other Districts are as well represented next week at Fredericton.

THE P. E. ISLAND AND THE CONTINENTAL DISTRICTS of our Conference, are all in session this week. We hope that some one brother in each will send a condensed report for publication in next week's paper.

The personal account of the Brethren made Steamboat lines in the Provinces, the usual up to the 1st of May last, and the "Provinprivilege of travelling to and from Conference CIAL WESLEYAN" lists have been sent. The or a single fare will be given.

We are authorized to say that arrangements

the Conference, to be settled, if possible, through the District Chairman or Financial have been made to give this privilege on the Secretary. The PROVINCIAL WESLEYAN lists goods in the Lower Provinces, we are enabled to General Agent for the sale of these Bonds for the Express "line of steamers, and the "M. A. show the state of each subcribers account on offer them to our customers at prices that defy com-Starr," and the Intercolonial, the European and North American, and the Windsor and to report particularly and to report particularly and promptly when they find any apparent mistake, The Superintendent of the Fredericton Circuit writes—"the Boats and Railway trains grant Clergymen returns on all routes to and from Fredericton, so no special arrangement the Boats and Railway trains are also specially requested to prenecessary." We presume that the same serve the lists for future reference; and any of privilege will be given to Laymen, members of them who may be required to change Circuits, wanting profitable employment, to be particular to hand the lists, with all desirable explanations, to their successors.

## THE PEOPLE'S Steam Washer!

(PATENTED MAY, 1873

The Cheapest, most Convenient, and Serviceable Washer in Existence It is an established fact that Steam will cleanse clothing better, and at far less cost, than any other Agent. An improvement has just been invented in Nova Scotia which combines more ad-

ager at the Works, Dartmouth, or may be left at the Office of the Company, 72 Bedford Row, Hali- It is so Simple that it cannot get out of Order, and any one can Work it. It does its work in about an hour, and needs no attention; saves greatly in fuel, soap, time, hard

labour, acd wear of clothing; can be made by any Tinsmith and at cheap rates The People's Steam Washer 115 GRANVILLE STREET. 115 Is the only one that can be made to fit any cooking-stove Boiler, can be cleansed and dried in all

Consisting in part of Printed Cottons, Printed and Plain Relister Franch Combines and Muslims ANY OTHER.

> irce of wealth, as I leave a good margin for profits, and it sells wherever known LOOK AT THE FOLLOWING RECORD! In six weeks I have sold the Patent right for every County in Nova Scotia proper. About 60 amples have been sent to order, and no failures reported. I challenge the history of modern inventions or success equal to this. Mr. Wm. North, of Cornwallis, N. S., got a sample, tried it in several fam

I invite correspondence from Agents in New Brunswick, to whom this Washer will become

Seldon, Esq., Editor "Christian Messenger," Halifax; and a host of others too numerous to mention who have bought and tried the PEOPLE'S STEAM WASHER.

Intending Agents will be supplied with samples at \$5 each. S. E. WHISTON. DARTMOUTH, N. S.
