NEW MUSIC BOOKS THE ANTHEM HARP. (\$1.25.) By Dr. W. O. Perkins. (Just out.)

A new book intended as a successor for "Perkins' Anthem Book," published some years since and which was a decided success. The new book contains music perfectly within the reach of common choirs, and is destined to have a great sale.

DITSON & CO. also call attention to their three books for SINGING CLASSES; recently published already very popular, and worthy of universal adoption.

THE TEMPLE. (\$1.00.) By Dr. W. O. Perkins. THE VOICE OF WORSHIP. (\$1.00.) By L. O. Emerson.

JOHNSON'S METHOD FOR SINGING CLASSES. (50 cents.) By A. N. Johnson.

THE TEMPLE contains an excellent Singing School Course, and a large number of Songs, Sacred Tunes and Anthems for practice, and for use in classes. L. O. Emerson's VOICE OF WORSHIP has exactly the same end in view as the other, but has a different method, and entirely different music. JOHNSON'S METHOD is for those who wish a low-priced book; is admirably simple and clear, has plenty of music, and has a thorough course in Note Reading.

Any Book mailed for retail price.

DALHOUSIE COLLEGE & UNIVERSITY THE MUNRO BURSARIES.

The Winter Session of Dalhousie College will commence on Wednesday, 27th October, 1880. The Matriculation Examination will begin on that day, at 10 o'clock, a. m., and Classes will be opened on Monday, 1st November. Students may enter as (1) Undergraduates, with the intention of applying for a University Degree in Arts or Science at the end of their course, or (2) as General Students who do not look forward to a Degree. For the latter no Matriculation Examination is required.

The Matriculation Examinations are partly oral and partly written; the subjects for entrance into the First year of the Arts course are: I. IN CLASSICS.—Latin Grammar, Greek Grammar, one Latin subject, one Greek subject. The following subjects are recommended: In Latin.—Caesar, Gallic War, Book I.; or Virgil, Aeneid, Book III. In Greek.—Xenophon, Anabasis, Book I.

Instead of the above, equivalents may be offered, if they be not parts of the Undergraduate course, or if giving a week's notice to the Secretary of the Senate.

II. IN MATHEMATICS.—Arithmetic; Euclid's Elements of Geometry, Books I. and II.; Algebra, Simple Rules, and Simple Equations of one unknown quantity, not involving Surds.

III. IN ENGLISH.—Grammar; History of England; Geography; Composition.

The subjects for entrance into the first year of the Science Course are: I. IN MATHEMATICS.—Same as for the First Year in Arts.

II. IN ENGLISH.—The same as for the First Year in Arts.

III. IN LATIN OR GREEK OR FRENCH.—Latin.—The subjects of the Matriculation Examination for the First Year in Arts. German.—Grammar and Translation. French.—Grammar and Translation.

The following Bursaries and Scholarships are offered for competition at the Matriculation Examinations:—

1.—The Munro Bursaries. GEORGE MUNRO, Esq., the Founder of the Munro Professorship in this University, offers this year seven Bursaries for competition at the Matriculation Examination.

The value of each of these Bursaries is Two Hundred Dollars yearly with Free Class-Tickets for the first two years of the Undergraduate Course, taken consecutively; provided that the holder of Bursary gain a Certificate of Merit at the Sessional Examinations of the first year. After these two years, the Bursaries are again to be competed for, and will be held during the third and fourth years of the Course, on Terms similar to those of the preceding years.

These seven Bursaries are allotted for competition to students from the following five districts of Nova Scotia, and from New Brunswick and Prince Edward Island, one to each, viz:—

- 1. The Island of Cape Breton. 2. Pictou, Antigonish and Guysboro. 3. Colchester, Cumberland and Hants. 4. Halifax, Lunenburg and King's. 5. Annapolis, Digby, Yarmouth, Shelburne and Queen's. 6. New Brunswick. 7. Prince Edward Island.

Candidates must satisfy the Principal, before the week in which the Examinations are held, with respect to the districts to which they belong, and as coming from which they are entitled to compete.

Students who have already Matriculated at any College or University are disqualified for competition.

The Bursaries will be awarded to those Students from the several districts mentioned, who make the highest total of marks at the Matriculation Examinations; but no Bursary will be awarded unless a Standard of Merit, determined by the Senate, shall be reached by the candidate.

The Examinations for the Munro Bursaries are the same as those for the Professors' Scholarships.

Further information may be obtained on application to the Principal.

2.—Professors' Scholarships. Two Scholarships, entitling to free attendance on all the Classes of the Undergraduate Courses in Arts.

The subjects of Examinations for these Scholarships this year are nearly the same as those for Matriculation in Arts at the University of Halifax, viz:—

ENCOURAGE HOME MANUFACTURE.

NEW BOOT AND SHOE STORE.

WE have just opened in the Store lately occupied by C. R. THOMPSON, No. 16 Granville Street, door South of the LONDON HOUSE, a splendid Stock of

BOOTS and SHOES, The greater part of which have been MANUFACTURED BY OURSELVES, AT THE INDUSTRIAL SCHOOL,

Expressly to suit the times, showing the purchasers the very best value for the smallest amount of money—and feel certain—that we can give better value than any house in the trade, in support of which, we call the attention of the public, to some of the advantages we possess.

FIRST—We make our Staple Goods, by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by Machinery.

SECONDLY—By making our Goods and selling them ourselves, you get them first hand, hence you have only to pay for the material and one small profit.

THIRDLY—As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again.

If the style and size of the boots does not suit, you can have them made at a trifling additional cost. We sell for CASH and cash only to keep strictly to this we cannot send out for approval, all parcels being paid for before they are sent.

Should they not suit we will return the money. Consequently the cash buyer is not compelled to pay those bills that are lost as the result of the CREDIT SYSTEM. These with many other advantages we could mention, warrant us we think in re-assuring that we can give better value than any house in the trade.

COUNTRY MERCHANTS who buy in small lots for Cash, would do well to give us a call before purchasing elsewhere.
