 and the prospect of the said Company having
 12 the means of completing the same, it ap-
 pears to the said Corporation that the said
 14 work will be of much public utility, that
 the said plans, specifications and estimates
 16 for the construction thereof, may be relied
 on as correct in the substantial particulars
 18 thereof, and that the said Company have
 the means and intention of executing the
 20 same according to such plans and specifica-
 tions within the time required by the said
 22 Act of Parliament. These are therefore to
 license and permit the said Company to
 24 proceed with the said work under the pro-
 visions of the said Act of Parliament, and
 26 to claim and obtain, use, exercise and enjoy
 all the rights and privileges thereby secured
