Begin this famous skin treatment tonight

Begin tonight to get the benefits of this skin specialist's soap for your skin.

Once a day, preferably just before retiring, dip a washcloth in warm

water and hold it to your face until the skin is softened. Then lather your cloth well with Woodbury's Facial Soap and warm water. Apply it to your face and distribute the lather thoroughly.

Now, with the tips of your fingers work this cleansing, antiseptic lather into your skin, always with an upward and outward motion. Rinse with warm water, then with cold—the colder the better. Finish by rubbing your face for a few minutes with a piece of ice. Be particular to rinse the skin thoroughly and dry it carefully.

The first time you use this treatment you will begin to realize the change it is going to make in your skin. This treatment keeps your skin so active that the new delicate skin which forms every day cannot help taking on that greater loveliness for which you have longed.
