

Reds Rock and Roll

By Alice Kamermans

With only 3 conference matches remaining, the Reds are finally showing what they're made of.

This past weekend saw the Reds defeating the St.FX squad 2 matches with scores of 15-10, 15-9, 15-13 on Friday night and 11-15, 15-12, 15-7 and 15-5 on Saturday.

"I could tell my squad was finally ready after our previous weekend play against the #2 ranked team UdeM." Against UdeM, the Reds lost 3-1, won a tight game 16-14, the lost 13-15, 12-15, and 13-15.

Being a very young team with usually four rookies starting many games, the Reds did not look one bit out of place this season. "Each team we played built confidence and added game experience. I'm very proud of the fact that I can play so many rookies against much older and more experienced conference teams and still be tough competition, no one team has ever walked away with a match."

Donna Landry is the key veteran on the floor. She pays

Last Weekend

The Lady Reds played some very competitive volleyball over the weekend.

On Saturday they played the Mount Allison Mounties. With the exception of one game, our girls managed to give the opposition a run for their money. The scores were as follows, 15-11, 15-0, 15-13 in favor of Mt. Allison.

On Sunday the girls travelled to Moncton where they also played in fine form. During the first game they came from behind in a 7-14 position to win 16-14. They struggled through some long rallies during the next three games, however, U of M managed to come out on top of the match.

Tania Crabbe led the offense over the weekend with her setting. Elaine Buck played her best offensive game of the season on Sunday with an amazing 71% spike efficiency. Also on Sunday, Julie Campbell was named Coca-Cola player of the game. Her defensive ability to block the opposing attackers as well as having a good offensive game, made Julie the obvious choice for this presentation.

This weekend the Reds travelled to St.F.X.

with the same aggressiveness whether the score is 0-14 or 14-14. Her never say die attitude is something which the rookies can learn and improve from. The other veteran in her 2nd year is Sonya Hull. Sonya plays more of a quiet game but she gives 100% in every practise and it shows in her game playing as she is now beginning to hit kill percentages of above 60%.

As for the rookies, Tanya Crabbe is now holding the starting setters' position. She has never been a setter, but in only one season she can now run the plays quite effectively. Julie Campbell, who was named player of the game against UdeM is now becoming one of the conference's top blockers. Any one could be called upon to start. The two late joiners are Sandra Legge, a 4th year player who can fill in any back court position and is an effective digger, and Wendy Smith. Wendy joined only a few weeks ago and previously played for the Reds. She gives

added height and a hard serve. Kamermans feels that the Reds are ready to win their 3 remaining matches. The most important thing is that the Reds know they are capable.
