Dear D:
My senses have been shocked,
I'm alive to every pain
Your quiet laughter comes to me,
It echoes in the rain.
Where did we go wrong?
You never once said you loved me
And you never called my name.
I miss you,

L.

What name? It's just "L" - ed

To Mike McGinn:
All I know is your name,
I'd like to know more.
I'm very shy.
Respond in this column if you're interested.
