# High flying puckmen bounce Brock Badgers 8-2

York's hockey Yeomen scored four times in the final frame in going on to down the Brock Badgers 8-2 in regular season OUAA competition Thursday at the York Ice Box.

York scorers were led by Ron Maeck, Doug Dunsmuir and Barry Jenkins who notched two goals apiece. Gerri Greenham and Steve Mitchell added singles.

The lack-lustre contest marked the second time within a week that the Yeomen had faced weak opponents from the western section of the OUAA. Against Brock, though, York was unable to display the same firepower they had showed against McMaster.

The Yeomen outshot the Badgers 35-7 in the first two periods but went to the dressing room with only a 4-2 lead. York was completely in control in the first frame, holding a 22-2 shooting edge. Brock scored on their second shot on goal.

Numerous scoring opportunities were missed by the Yeomen throughout the match. This trait was typified by the frustrated scoring efforts of Jenkins. Despite scoring twice, the speedy winger failed to connect on two clear breakaways.

At other times, Brock netminder Brian Fraser made key stops on highscoring York marksmen. Player congestion in front of the

Badger goal added to the problems of putting the puck into the net.

## Statistics support Yeomen

The Yeomen have now reached the halfway mark of the hockey season. The team which was considered an unknown commodity at the beginning of the season because of its high rookie contingent, has proven to be one of the strongest clubs in the OUAA.

In the six regular season games played to date, York has a 5-1 win-loss record. Their only loss was an 8-5 defeat at the hands of the Varsity Blues.

The Yeomen have outscored their opponents 46-23 and outshot them 258-131. The only time the Yeomen have been outshot was in their 9-2 exhibition loss to Cornell.

To further break this down, York have averaged 7.7 goals a game while the opposition has mustered 3.8. The Yeomen have on the average had a 43-21.8 shooting margin.

Al Avery and Barry Jenkins head the York marksmen with 15 points each. Doug Dunsmuir follows with 13, Gerri Greenham with 12, and Paul Cerre with 11.

The only surprise in the list is the high standing of rearguard Greenham. Not only is Greenham a leading Yeoman point-getter, but one of the leading pointmen in overall league scoring as well.

York's leading goal scorer is Dunsmuir with eight, followed by Cerre and Jenkins with five each. The only Yeoman to register a three goal hat trick was pivot Mike Quinn.

The Yeomen power play has counted nine times in 23 attempts. Opponents have managed three goals in 14 attempts when they have had the manpower advantage. Greenham and John Hirst lead the power play sharpshooters with two goals apiece.

In terms of scoring, York's strongest period in game action has been the third, where the Yeomen have outscored opponents 20-10. York has also dominated scoring in the other periods, 17-6 in the first and 8-7 in the second.

Avery leads the Yeomen in notching winning markers with two, while Cerre, Dunsmuir and Quinn have one each.
