DRUMMONDHILL MANSE

Niagara Falls South, Ont., Oct 27th 1908

Dear old Rex,
The first individual returns I ascertained
were those in N. Waterloo, and I hasten to
congratulate your constancy and yourself on
the result of the polling - Truly the righteousness
of the cause you have fought ^{so well} has been your
great strength, and your friends are proud
of your strong stand and of yourself -

Sincerely yours
Frank C. Harper
