

087332dz
distance just to
inform me that
he article I con-
tributed to the
Canadian Traveller
was the finest
argument for protection
he had ever read
He said he simply
had to write admira-
tion of this class.
I was gratified of
course but I had
seen what to answer
This promise to suppress
will avail him nothing
I hear of Blacklock's
perfidy heart & man
Greetings Cordially
James C. Hodgson
