Ottawa, Aug. 12, 1915.

Sir,-

I have to request that you will explain why the half yearly stock returns to the 31st March, 1915 have not been forwarded. You have received in the past most explicit instructions in regard to sending in stock returns promptly, but they have been ignored by you. The Department will withhold action until your explanation is to hand. There can be no good excuse for not sending in these returns, as, if the Farmers did not keep their returns written up, it was your duty to have done this work yourself or to have sent your clerk to do it.

Your obedient servant,

Asst. Deputy and Secretary.
