

Do You Take A Teacher's Magazine ?

Every progressive teacher requires to be kept in touch with :

The New Movements in Education.

The Best Methods of Teaching.

New Ideas and Suggestions for the Classroom.

The Best Books and Magazines Relating to the work of the teacher.

Notes and News Regarding the Profession.

"THE SCHOOL"

Aims to Answer these Requirements.

It contains seventy-two pages of reading matter.

It covers the work in all grades in all the Provinces.

It deals with both Principles and Methods.

It is published by teachers, and is supplied to teachers at cost of publication.

Subscriptions, \$1.25 per year.
