

MASON & HAMLIN

CABINET ORGANS.

SEVENTY-FIVE GOLD AND SILVER MEDALS

And other Highest Premiums, have been awarded within a few years.
at the principal Industrial Fairs, to the

Mason & Hamlin Cabinet Organs

These Instruments have thus been

REPEATEDLY DECLARED THE BEST

at the following among other Fairs:

THE PARIS EXPOSITION, 1867;

AND AT THE STATE FAIRS OF

**NEW YORK, PENNSYLVANIA, OHIO, INDIANA, IOWA.
VERMONT, KANSAS, RHODE ISLAND, ILLINOIS,**

AND EVERY OTHER STATE WHERE FAIRS ARE HELD.

Having so uniformly obtained the highest honors at Industrial Competitions, the Mason and Hamlin Organ Co. have, since the award to them of the PARIS MEDAL in the Summer of 1867,

DECLINED TO EXHIBIT THEIR INSTRUMENTS IN COMPETITION

at such Fairs. Should one occur of sufficient importance to bring into friendly emulation and comparison the best manufactures of the world in this department, the Mason & Hamlin Cabinet Organs will be found among them. Meanwhile the fact is announced that these Instruments, even where exhibited at Fairs, have not recently been placed in competition for the premiums, in order that wrong impressions may not be derived from announcements, sometimes unwarrantably made, of premiums taken over them.
