Dodd's Kidney Pills Cured Robt. Bond of Bright's Desease.

His Doctor Who Said There Was No Hope For Him, Now Pronounces Him Well-He Tells His Own Story

Mt Brydges, Ont., March 6.—(Special).—Among the many people in this neighborhood who tell of the great work Dodd's Kidney Pills are doing, none is more emphatic than that old and respected citizen, Mr. Robert Bond.

and respected citizen, Mr. Robert Bond.

"I believe I owe my life to Dodd's Kidney Pills," Mr. Bond says. "My attending physician said I was in the last stages of Bright's Disease and that there was no hope for me. Then I commenced to take Dodd's Kidney Pills and used in all twenty boxes, Now I eat well, sleep well, and my doctor says I am well. Dodd's Kidney Pills and nothing else cured me. Do you wonder I am always ready to say a good word for Dodd's Kidney Pills?"

What will cure Bright's Disease will easily cure any other form of Kidney Disease. Dodd's Kidney Pills will always cure Bright's Disease. They are the only remedy that will cure Bright's Disease. They are the only remedy that will cure Bright's Disease. Be sure you get Dodd's.

All they ask is a fair and reasonable trial of their means of cure. No other medicine than Dr. Pierce's Favorite Prescription could possibly "win out," as the saying goes, on such a proposition, but they know whereof they speak. They have the most remarkable record of cures made by this world-famed remedy ever placed to the credit of any preparation especially designed for the cure of woman's peculiar ailments. This wondes ful remedy, therefore, stands absolutely alone as the only one possessed of such mirvaled properties as to fully warrant its makers in publishing the remarkable offer above made in the utmost good faith.

Plain, Candid Talk From a Well-Known Man

P. C. Gibbons, of 83 McGill St., Toronto, Ont., has been greatly benefited by the use of Bu-Ju, the Kidney Pill, and he tells his experience in the following straightforward, candid letter, which is printed in full, just as he wrote it:

Toronto, Ont., June 9, 1904.
Claffin Chemical Co., Windsor, Ont., Gentlemen.—After suffering for nearly two years from Kidney and Rheumatif trouble, also being unable to work and under heavy expense for medical treatment, I became discouraged, and thought there was no possible cure for me, when a friend advised me to try your "Bu-Ju" Remedy. I of course thought it no use and expected the same result as all my other fruitless trials, but consented to try them. When after using two boxes I found my condition somewhat improved. I have only used five boxes and now I am strong and free from Rheumatism, and I as McGill St. P. C. GIBBONS.
can sincerely recommend "Bu-Ju" to all sufferers of the same.

Yours very truly.

Such evidence as this should convince all who are suffering from kidney trouble, or many of the various diseases that arise from disordered kidneys, that Bu-Ju, the Kidney Pill, is the remedy that they require. What it has done for Mr. Gibbons and thousands of others, it will do for you. Bu-Ju is for sale by all druggists. Claffin Chemical Co., Windsor, Ont.

There is nothing more precious or priceless than liberty. There is noth-ing more inspiring and elevating nothing on the other hand more de-

pressing and degrading than slavery. It robs a man of what constitutes his manhood, the power of self-decision, self-action, of being and doing what he would. The good that I would I do not, but the evil I would not, that I do.—Rom. 7, 19.

The servants of sin may boast, like these Jews, of their good and great ancestors and their church connections, etc., but children of God "are born not of blood, nor of the will of the flesh, nor of the will of man, but of God," "through His word, which liveth and abideth for ever."

Twice in our lesson the Lord charges these religious Jews with seeking His life, but if we continue in sin we, too, are "treading under foot the Son of God, counting the blood of life covenant an unholy thing and are despite unto the Spirit of Grace." But if we live and walk in the Spirit we are in the glorious liberty of the children of God.
