

pects of British Columbia look very hopeful, and her opportunity, I think, has come. You must not send over any wildcats, as the investors will not have anything to do with them. What they want is developed or dividend-paying properties, and the more of the latter the better. We can absorb all that is sent of the latter sort."

Mr. Harris is the principal dealer in Le Roi shares in London.

It is stated that the Hon. Mr. Mackintosh has formed a new English company with a capital of \$200,000,000 for carrying on mining operations in British Columbia, and that Lord Dufferin is at its head.

The final statement of the Payne mine deal was made at a meeting of the shareholders held in Sandon on May 20th, when the formal ratification of the sale to the Payne Consolidated Mining company of Montreal, took place.

No. 5 tunnel at the Payne had a better showing at the time of the shut down than has ever been found before in the history of the mine.
