

PURE-BRED STOCK

NOTES AND NEWS FROM THE BREEDERS

These columns are set apart exclusively for the use of breeders of pure-bred stock and poultry. Any information as to importations made, the sale and purchase of stock and the condition of herds and flocks that is not in the nature of an advertisement will be welcomed. Our desire is to make this the medium for conveying information as to the transfer of pure-bred animals and the condition of live stock throughout the country. The co-operation of all breeders is earnestly solicited in making this department as useful and as interesting as possible. The Editor reserves the right to eliminate any matter that he may consider better suited to our advertising columns.

Farming World Man on the Wing

Mr. John Gardhouse of Highfield, Ont., reports a splendid crop of young Shorthorn calves. Among them are three young bulls of outstanding show-ring merit, one being sired by the aged Shorthorn winner of the Chicago International of 1906, and champion aged bull of Toronto, 1906, Scottish Champion. Two are by his successor as herd bull in Mr. Gardhouse's herd, Prince of Archers, a son of Royal Emblem, a full brother to the noted champion, Royal Ensign. This bull is proving a worthy successor to Scottish Champion, and he is a splendid showing model as well. Mr. Gardhouse has also a few choice females, representative in their breeding lines, of the best Scotch Shorthorn blood.

Mr. John Boag, of Ravenshoe, Ont., has on hand a lot of Clydesdale stallions which he reports as doing exceedingly well.

Messrs. Graham & Renfrew, Bedford Park, North Toronto, as well as Messrs. Hodgkinson & Tisdale, of Beaverton, and Graham Bros., of Claremont, are sending consignments of Clydesdale and Hackney stallions to Chicago, where they will try for conclusions for America's supremacy in these breeds. The kind of goods which they are this year taking over will require better metal to beat them than any that have yet gone to Chicago, and Canadian firms have seldom returned without their full share of the colored ribbons.

Mr. J. A. Turner of Calgary, Alta., called at this office on his return from Scotland with a lot of fine Clydesdales which he is taking West with him to the sunny province of the West. Mr. Turner has well proved his ability as a horseman of the highest order and has ever held his own both in the show-rings and in the market.

Messrs. Smith and Richardson, of Columbus, have made several sales, but have still on hand a lot of very choice ones, and will turn out to the Spring Stallion Show the finest bench they ever had. All Clydesdale men report a very brisk inquiry for the best class of broods, and there is little doubt in their minds of an unprecedented demand for top-notchers.

Association, recently held, arrangements were made for the next convention to be held at Ottawa on February 5-7. These dates were selected so as to permit the breeders from Western Canada, and also from the Maritime Provinces, to attend the meetings of the various herd associations, most of which will be held about that time. It is likely that the principal discussion will be on the advisability of amending the regulations governing the admission to Canada of pure-bred stock. It is also proposed to take up and discuss the best means of retaining for Canadian breeders the Canadian market for pure-bred stock, and it is probable that a number of specially prepared papers on this subject will be submitted. The future of the export trade in pure-bred stock will also be discussed, while it is expected that considerable light will be thrown on the export trade in cattle and sheep for slaughter, as also the export trade in meats and meat food products.

Gossip

Messrs. Jno. Dryden & Son, Brocklin, Ont., write:—

"Winter is approaching, and with it the season when those in need of a stock bull begin to look around for something to head their herds of pure-bred Shorthorns or to make some improvement in their herds of good grades. We are offering, on another page, eight; and we think they are right good ones. It would
