"CANADA'S BEST" GRAIN GRINDER

"Canada's Best" Grain Grinder has every improvement found on other grinders and many exclusively its own.

The Quick Release Lever is instantaneous in throwing the plates apart to allow foreign substances to pass out and, in itself, makes our grinder superior to all others; has concave and convex plates, with grinding surfaces on both sides. These plates are reversible, which gives double the services.

Every feature of "Canada's Best" Grinder is given the same thoughtful care and scientific construction as the two named; our free booklet tells all about the others.
