UPON which he who passes may read the proud sign of THE WILKINSON PLOUGH CO., LTD. Here men work faithfully day by day to the end that the Canadian farmer may have perfect implements with which to till his acres. They do not claim to be philanthropists, just sound business folk, with genius enough to know better from good, and best from better. Already in the lead, they rest not with satisfaction, but ever strive to increase their advantages over the nearest rival. Hereinbeside we mention a little list of lines—if you find a suggestion, just write about it frankly to these leaders in their own particular field of thought and action.

CARNEFAC STOCK FOOD

PATRONIZE HOME INDUSTRY.

MADE IN CANADA

By Canadians and for Canadians.

NOT A CENT. OF CUSTOM DUTY TO PAY ON IT.

CARNEFAC has no known equal as a food for calves and young pigs, a tonic for weak or sickly animals, and a never-failing preparation in the proper fitting-out of exhibition stock. It enables animals to get full benefit from the food they consume, thus guaranteeing increased flesh and a glossy coat. The experience and testimony of successful exhibitors at leading fairs in recent years amply confirm this statement, while the observation of experts attests that condition and quality of flesh and hair and handling counts for much in the show-ring. Dry hair and harsh handling has condemned many an otherwise promising candidate for first-class honors.
