General Intelligence.

Colonial The Hon. S. L. Tilley, Hen W.A. Henry and

Allison was a gentleman worthy of the greatest respect; he was much beloved by his family and intimate acquaintances, and stood high in the esteem of all who knew him. For many years he has been an exemplary and useful member of the church, and held the effice of Circuit Sterard and Class leader with great acceptance and usefulness. Within twelve months several of the renior branches of the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family have been taken to their rest. John Allison, and the same family solely for the accommodation of this Island. Such an expectation is too extravagant to be entertained. Who, then, can contemplate the alternative without humiliation and shame? of the replor branches of the same alternative without humiliation and shame have been taken to their rest. John Alison, E.q., of Oakland, Mrs. Hugh Bell, of this city, a brother-in-law, Wintirrop Sargent, E.q., of Barrington, and now Mr. Jas. Allison. They all lived to Christ; they all died in the true faith honors, and the advantage of the control, the lived to Christ; they all died in the true faith honors, and the advantages of a potent Vice-fi His holy Name; and their memory is Royalty? That certainly were a species of

LECTURE IN DARTMOUTH - We learn that a of becoming self-respect - a sacrifice without highly popular lecture was delivered in Dart- even a show of wisdom to disguise its imhighly popular return of last week by the becility."

They all managed to get askore, but one, a school master, being chilled with cold, fell down and died, when within a short distance of his own house where he was found next day by his friends. The other three being found by some friends on shore, were taken into a house and thus escaped

ST. JOHN. N. B .- Our citizens are contributing handsomely to the various institutions for tionably cause great alarm throughout the the relief and improvement of the poor. Over \$1,500 has been subscribed for the Industrial Home for Boys. The Charitable Association, formed only a few weeks ago, has expended some hundreds of dollars, and has several more on hand. Contributions for the Home for the Fallen and for the Ragged School, are also on a liberal scale. Altogether a very fine spirit of benevolence is manifested. Several large donations were recently left by deceased persons for the relief of certain classes, among them that of the late Mr. Stephen Wiggins of a very large amount, for the establishment of an Orphan Asylum on a permanent basis; and that of the late Mrs. George D. Robinson, of several thousands of dollars for the support of aged, indigent The drivers and firemen number 20,000 men. women .- Telegraph.

The New Brunswick Government have directed the Treasurer to levy the export duty upon peared altogether from the country. all lumber shipped from St. John, so that American logs when sawed there and exported to the United States are to pay duty the same as

TEMPERANCE IN FREDERICTON, N. B .- A correspondent informs us that a remarkable movement in favour of Temperance is progressg in that city. A number of substantial men, accantile and professional, have joined the Sons." Sixty were to be initiated on the 22nd inst. A New Temperance Hall and Read. 22nd inst. A New Temperance Hall and Read-ing Room in the centre of the city are to be built. Our correspondent remarks. "No one built. Our correspondent remarks, "No one can account for this movement. It seems of

PAMPHLETS RECEIVED. Report of the Deaf and Dumb Institution for 1866. We are pleased once, and Mr. Eyre, it is said, is most anxious to find this benevolent Institution prospering and to appear and answer any charge that may be being rendered a blessing to the interesting class of persons who are within its walls. Report of Young Men's Christian Association. The chris tian young men who bave this work in hand, are labouring with laudable zeal for the benefit of the young men of the city. The monthly prayer-meetings and the weekly Bibie class of the Association we hope will continue to be well sastained. It will be well for the Lecture committee to exercise care in future in the Lectures they provide, if they wish the continued favour and moral support of the christian portion of the community. Report of the Micmac Mission for the past year. The pious and laborious Missionary, the Rev. Mr. Rand, has prosecuted his

forian of Mount Allison, and are glad to find Emmanuel, who delivered the usual speech from

members. The habits they are now cultivating will be invaluable to them through life.

"Confederation, considered on its merits, as applicable to Nova Scotia." This is a timely and ably written pamphlet. We solvise that it be read by those who are willing to be informed on this subject. Candid the solution of the fermione.

"Confederation, considered on its merits, as applicable to Nova Scotia." This is a timely and ably written pamphlet. We solvise that it be read by those who are willing to be informed on this subject. Candid the solution of the features of both countries.

LAROOKAH'S

Is an Alterative Medicine of uniform strengh-the effect of which is to eradicate from the system all those disorders which originate in Im-

Each of its ingredients are known and used by medical men in their practice, but this com-bination is believed to have a greater medical effect than could be produced by their use sepa-

stely or in any other form. SARSAPARILLA, by itself, as is well known, operates slowly on the system, but combined with other and more active agents as in this compound, its purifying effects are speedy and last-

Hence, Scrotula, in all its multitudinous henceforth be forms, whether in that commonly known as King's Evil; Enlargement of the Glands or Bores, Goitre, White Swellings, Chronic Rhewmatism. Cancer. Diseases of the Skin or Spine. or of Pulmonary consumption, emanating from

There are unfortunately, cases of this loathsome distemper which through neglect have passed beyond the reach of human skill; these ca ses however, are rare, and many patients who had been given up to die by their phosic-ans and friends have gained health, strength, and a new lease of life, by a persistent use of this remed, coupled with an avoidance of the causes which aggravate the disease.

Curing Scrofula in all its forms, this preparation may be relied on as an effectual remedy for complaints of a kindred nature, such as Deopsieal Swellings, Dyspepsia and Liver Complaints, Enlargement of the Ovaries, Epilepsy, Erysipelas, St. Anthony's Fire, Gout, Chronic Inflammation of the mucous membranes of the throat, windpipe, nose, and ears, Mercurial and Syphilitic Affections, Neuralgia or Tic Bole-reaux, Phthsis, Pulmonalis, Scald Head, Uicers Female Complaints, such as Suppression, Irregularity, Leucorrocha, Sterrility, &c., General Debility, Salt Rheum, Boils, Pimples, Carbun cles, Pain in the stomach, side, and bowels, and all those affections which require alterative or
