

LARDEAU

Is Situated at the head of the North-East Arm of Upper Arrow Lake. It is the easiest point from which to enter the remarkably rich mines of the

Lardeau and Fish Creek Districts.

It will have the advantage of both rail and steamboat lines. The C. P. R. will begin the building of a line from Revelstoke to the N. E. Arm of Arrow Lake as soon as the weather will permit.

Lardeau is at the head of navigation on this Arm,

and will be the terminus of steamers and that of the Lardeau & Kootenay Railway. There is no question that the rich Mining Districts which are tributary to LARDEAU will attract thousands of Prospectors and Capitalists during the present season, and that a large town will grow up at that point.

The history of Kaslo will be repeated at Lardeau this year, and investors in Kootenay property should study the situation. Kaslo in many instances has already repaid from 500 to 1000 per cent to investors.

The wisdom of an investment in Lardeau is without question.
