

Dogs for Business Men

Irish Terrier Puppies for Sale—From stock that has won first prizes in leading British and American shows. They are now the fashionable breed in Great Britain. They are the most faithful companions, best watch dogs (the Standard Oil Co. use them exclusively), for they will fight until the last drop of blood in their daring little bodies in defence of their master or his property. No rats can live where they are. They are excellent dogs for the woods, and very fond of the water.
