

The FARMERS PHONE

GIVES UNEQUALLED SERVICE

KELLOGG Code No. 2839 Wall Telephone

is especially adapted for rural lines. It will give the highest grade of efficiency whenever called upon—today, tomorrow, in fact, indefinitely.

It consists of a sturdy, well-seasoned and handsomely finished quartered-oak cabinet, equipped with the following Standard KELLOGG apparatus—

Wire and Cross Arms in Stock

- KELLOGG Standard Long Distance Transmitter.
- KELLOGG powerful, five-bar generator.
- Reliable and durable receiver (non-breakable in ordinary use).
- Non-adjustable ringer.
- Induction coil and condenser especially designed for this service.
- Push button for calling central secretly.
