## IS INUNDATED WITH SYMPATHY

French Advocate Forbidden by Archbishop to Speak Stirs Up Row.

(Canadian Press Despatch)  
MONTREAL, June 27.—Gonzalve Desaulniers, K.C., has been literally inundated with letters and messages of sympathy and felicitation on the occasion of the act of the ecclesiastical authorities in excluding him from the St. Jean Baptiste literary gathering of Tuesday evening because he has defended the church. Sympathy because, in some cases, Mr. Desaulniers' interlocutors regretted that what they termed an insult had been directed against him in his capacity as a leading French-Canadian literary man and member of the bar, felicitations because many admired the stand which Mr. Desaulniers had taken in declining to take advantage of an eleventh hour compromise whereby, as they termed it, he would be allowed to make a back-door entry to the literary feast. In the meantime, however, Mr. Desaulniers had addressed a letter to his grace the Archbishop, asking that the letter express in writing his reasons for taking the action his grace is alleged to have taken in the matter. Mr. Desaulniers will await his grace's reply, when he will in return make a reply in writing. He has communicated with the provincial government on the subject and has made a protest against the action of the ecclesiastical authorities in excluding him—a citizen and taxpayer—from an institution which is subsidized by the funds of the public. The St. Jean Baptiste Society will also take up the question of repudiating the action of its members in bowing to the order of the church.

## FIFTEEN YEARS FOR MAN-KILLING

Heavy Sentence Handed Out at Sault Ste. Marie This Morning.

SAULT STE. MARIE, Ont., June 27.—Sentence of 15 years in Kingston was this morning pronounced by Judge Britton on Fred McGregor, found guilty of manslaughter for killing Fred Moran in a Blind River bar-room in March last. The judge said the jury had taken an extremely merciful view of the case and expressed astonishment that the capital charge could have been reduced on such evidence as had been given. There were five witnesses for the prosecution and the prisoner was the only witness for the defence. The prisoner is a man of mystery. He resolutely refuses to say where his parents or his wife are beyond that they are in Alberta, and the only information regarding himself since his incarceration is that he is a graduate of Edinburgh University. While awaiting trial he made a desperate attempt to escape with the aid of a dummy revolver made from soap and bread crumbs. The turnkeys thought it a real gun but threw themselves on him and he was backed into his cell. The gun was a marvel of ingenuity even showing tops of bullets in the chambers.

## Doctor Said He Had Diabetes

Dodd's Kidney Pills Cleared Out Every Trace of It.

That's Why Mr. David Heon, of Nicolet Co., Quebec, is Recommending the Great Canadian Kidney Remedy To His Neighbors.  
ST. WENCTSLAS, Nicolet Co., Que., June 23.—(Special)—"I started to take Dodd's Kidney Pills because the doctor told me I was threatened with diabetes. After taking ten boxes I was again examined by the doctor, and he told me that all trace of diabetes had disappeared."

This is the statement of Mr. David Heon, well-known and highly respected here, and he is only one of many in this neighborhood who have found a new lease of life in the great Canadian Kidney remedy.

It is curious such as this that have given Dodd's Kidney Pills their reputation. They are now known from the Atlantic to the Pacific as the remedy that never fails to cure kidney disease, no matter where or in what form it is found.  
Dodd's Kidney Pills are no cure-all. They simply cure diseased kidneys. The reason they cure backache, dropsy, rheumatism, neuralgia, diabetes, urinary troubles and Bright's diseases is that all of these are either diseases of the kidneys or are caused by disordered kidneys failing to do their work.

## UNIONISTS TIDE STILL RISING

Liberal Majority in Radio Stronghold is Greatly Reduced.

(Canadian Press Despatch)  
LONDON, June 28.—The flow of the election tide in the direction of the Unionists which was exhibited at Altringham, May 29, when the Unionist candidate defeated his Liberal opponent in a bye-election by a largely increased majority, was again shown to-day in a bye-election at Leicester, made necessary by the retirement of the holder of the seat in the House of Commons, Elliot Crawshaw-Williams having become involved in a co-responsibility.

The Liberals retained the seat by being:  
Howart—Liberal, 10,802.  
Wiltshire—Unionist, 9,270.  
Hartley—Socialist, 2,580.

In the general election in December, 1910, Crawshaw-Williams majority was 5,891, over the Unionist candidate.  
In accordance with the agreement between the Liberals and Independent Labor party to divide Leicester two seats, a Liberal candidate was first nominated. The local Laborites refused to abide by the agreement and put forward their own candidate. They were induced to withdraw him under the threat that Ramsay MacDonald, Leicester's other member would resign. Afterwards the Independent Socialist candidate was nominated.

## First Case

Under New Marriage Act is in Progress at Sarnia

SARNIA, Ont., June 28.—One of the first cases of importance to come under legislation passed at the last session of the Ontario Legislature to prevent clandestine marriages is now engaging the attention of the authorities here. The parties concerned are Carl Brand, a Chicago brewer, and Miss Ida M. Spitzer of Berlin, Germany, and they are in jail on the charge of immorality, while at the same time they are refused a marriage license under instructions from Hon. W. J. Hanna.  
The couple met on an ocean liner and subsequently went to Montreal. When they tried to cross into the States at Port Huron, they were stopped by the United States immigration officers. Later a Dominion officer gathered the couple in under the White Slave act, while the legislation requiring three months' notice of marriage was being passed.
