

SCOTT D. GUPTILL THE CANDIDATE IN CHARLOTTE CO.

Representative of Island People
Named by the Provincial Govern-
ment Convention

UNANIMOUS CHOICE
OF THE CONVENTION

And Opposition Party Will Prob-
ably Not Oppose His
Election

St. Stephen, Feb. 5.—The convention held here today to nominate a government candidate to fill the vacancy in the legislature caused by the resignation of Thomas A. Hart, was well attended and enthusiastic. It had been preceded by a convention of the island parishes held at Westwood on Saturday, at which Scott D. Guptill, of Grand Harbor, was endorsed as the choice of the island people, who have for many years wanted an island representative in the legislature.

When the convention was opened to-day the action of the Westwood convention was reported and the name of Scott D. Guptill was presented. No other name was mentioned and Mr. Guptill received the unanimous and hearty nomination of the convention.

TO REPAIR MUSEUM

Constructive Plans in Royal Victoria
Museum at Ottawa Continue to De-
velop.

Ottawa, Feb. 5.—Constructive plans for the Royal Victoria museum here continue to develop. In addition to the crack which has been the cause of official concern for upwards of a year and which has been repaired in the third floor, the flooring gaps away from the stone wall to a width of several inches, several other smaller cracks in the walls have made their appearance and the roof is leaking so badly that the walls and ceiling in several of the rooms have been damaged.

peonage charges. The defendants, it
is alleged, have had workmen pris-
oners while they worked in the
mountains of Kentucky. There are 56

Hon. J. D. Hazen Will Improve Conduct of His Department

Minister of Marine and Fisheries Shows Parlia-
ment How the Late Administration Abused the
License System and Salmon Fisheries—The Re-
gulations for the Preservation of Whales—Hon.
Mr. Hazen Proves well Informed and Progressive
Minister.

Ottawa, Feb. 5.—Whether it was be-
cause of the approach of Lent or not, but the House
spent the afternoon and part of the
evening in talking fish. First fish on
the Atlantic, then fish on the Pacific.
Mr. Hazen proved himself a well in-
formed and progressive minister.

As to the assertion that immature
fish are destroyed the memorandum
and the certain areas appear to be
fish nurseries, and these will be
avoided as they are located. It went
on to argue that steam trawling does
not reduce the supply of fish nor
reduce the number of persons en-
gaged in fishing, though there might
be some "redistributions."

There are 2,000 steam trawlers in
and North Sea alone, Mr. Hazen said,
and that with Great Britain using the
steam trawlers so freely and the
United States beginning to use them,
it would be difficult to obtain an
international agreement to prevent
such trawling. Attempts to that end
had been made, but so far had not
been successful. If possible a con-
ference would be brought about,
though he could not hold out much
hope. After some further discussion
the motion passed.

MEMORIAL PROPOSED

Ottawa, Feb. 4.—Premier Borden to-
day told an influential deputation that
he would give his most serious con-
sideration to a request for government

arch in Queen's Park, Toronto, to per-
petuate the deeds of Canadian heroes
in the war of 1812-14. The proposed
arch is to cost \$300,000. Those on the
deputation included: Col. Hamilton
Merritt, J. S. Carstairs, David Hender-
son, M. P., M. M. Elliott, Dr. Ed-
wards, M. P., and Senator Belmont.
They made out a strong case on pa-
triotic grounds.
