

Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach.

A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

THE UNDERFERD How Children of the Ignorant Are Robbed of Oatmeal

A canvass made among the intelligent shows that seven homes in eight serve oatmeal. Among the ignorant another canvass shows that not one home in twelve serves oats. The children grow up incapable because bodies and brains are starved. Nature stores in oats more energy food, more brain food, more nerve food than in any other grain that grows. That's why children crave oatmeal. There is nothing to take its place. This is a food on which it doesn't pay to be careless. There is a very wide difference in oat foods—a difference in richness and food value. Don't serve the common kind. Only the richest, plumpest grains are used in Quaker Oats. They are selected by 62 sittings. Only ten pounds are obtained from a bushel. The result is a food rich in all the oat elements—the utmost in oatmeal. Yet the cost to you is but one-half cent per dish. Made in Canada.
