

Get on a train and SEE YOUR SECURITY

If you were to board a train at Halifax or Vancouver and ride for 3,500 miles across this broad country—you would see something of the security behind the Victory Bonds. You would ride for a week—but even then you would only see a narrow strip of Canada's hundreds of millions of acres—a country nearly twice as large as all Europe.

You Would See:

the Farm and Forests,
the Prairie and Plains,
the Mines and the Mills,
the Docks and the Elevators,
the Steamers and the Railroads,
the Towns,
the Cities,

All this is the security behind your Victory Bonds.

This is the security that makes Victory Bonds one of the world's premier investments. Victory Bonds are the safest securities. Victory Bonds pay a good rate of interest—nearly twice as much as Savings Banks.

And you know how vital it is to Canadian Prosperity—and your own welfare—that the Victory Loan shall be successful.

It means that Canada's prosperity and your own prosperity will continue.

So don't buy just enough Victory Bonds to "square your conscience."

Buy to the limit of your ability.

Do your part in making the Victory Loan a huge success—Put your present savings into Bonds and borrow against your future earnings.
