RECKLESS DRIVING

Last Sunday evening four young

men, as occupants of a car, were

doing some reckless driving which

should be investigated, and a re-

getition prevented. The car had

no lights and was going at a rate

of about 40 or 45 miles an \ hour.

The car crossed the Morrissy bridge

about 9 o'clock, 'coming into New-

castle and the only warning of its

approach was the loud shouting of

its occupants. This is bad work
