FISHERMEN!

FAIRBANKS MORSE ENGINES are made in dif-
ferent types, so a fisherman does not have to take an
engine built expressly for pleasure or speed boats.

Type "M" FAIRBANKS is the fisherman's engine.
It has a minimum amount of parts to get out of order.
Is fitted with Make & Break Ignition, and is not affect-
ed by water. In the Maritime Provinces there are more
FAIRBANKS MORSE ENGINES used than all other
makes together.
