

## "My Hands Trembled and I Could Not Sleep"

Mr. Thomas Honey, Brantford, Ont., writes—

"When I began taking Dr. Chase's Nerve Food, I was so nervous that when I picked up a cup of tea my hand would tremble like a leaf. I could not sleep well, could not remember things, and there were neuralgic pains through my body. After taking seven boxes of Dr. Chase's Nerve Food, however, I am in perfect health."

## Grand Concert.

AT WESLEY LECTURE HALL LAST NIGHT.

The concert held at Wesley Church Lecture Hall last night, in aid of the Methodist Orphanage, was attended by an appreciative audience, and was thoroughly enjoyed. Rev. J. G. Joyce, pastor of the church, occupied the chair. Amongst those who contributed to the evening's programme, are the following:—Misses Marshall, Redstone, Wylie, Murray, Taylor, the young ladies of the Sun Beam Class, and a chorus of girls from the Orphanage. Mrs. Christian, and Messrs. Cowan, Steele, Peet, King, Christian, Clapham, Courtney, Macklin, Chaplin, Vey and Halley.

Mrs. Leonard Mews, President of the Ladies' Orphanage Association, addressed the gathering, and outlined the work which the Association was about to enter into. On June the 11th, a festival will be held in the Orphanage grounds, which are at present being transformed into a garden of beautiful trees and flowers by Mr. Canning, of Bowring Park. On the afternoon of the festival there will be many new attractions added for the visitor in the way of side shows. The Committee in charge are already at work and hope to make June 11th a banner day for the Methodist Orphanage.

Last night's concert netted a goodly sum toward the Orphanage funds. The Methodist Guards Band was in attendance during the evening, and rendered many pleasing selections.
